Emergency Notifications and Timely Warning Notices [34 CFR §668.46(b)(2)(i)]

Jackson State Community College will issue an emergency notification in the event of an immediate threat to the health or safety of students or employees occurring on campus. Examples include a building fire, hazardous material spill affecting a large area, tornado or other severe weather event, or an active shooter on campus.

Jackson State Community College will issue a timely warning notice to the campus community in a timely manner of specific crimes that occurred on campus. The purpose of a timely warning notice is to offer safety tips and information to aid in the prevention of similar crimes. A timely warning notice will not be issued for the circumstances that led to issuance of an emergency notification.

Process for Confirmation

The President of the institution (or designee in the President's absence) is responsible for confirming emergencies or dangerous situations after receiving input from knowledgeable sources pertaining to the situation at hand. Once confirmed, the President will issue orders to release emergency notifications and/or timely warning notices as needed. In addition to the President, the following individuals may be involved in the decision whether to issue timely warning notifications and/or emergency notifications, as well as the preparation and dissemination of the notifications.

- Tim Dellinger, *Executive Vice President of Finance Administration and Student Services*
- Aaron Patton, *Chief of Police*
- Henry Kilpatrick, *Chief Marketing & Communications Officer*
- Preston Turner, *Director of Physical Plant*
- Yakendra Bond, *Training & Compliance Coordinator and Title IX Coordinator*
- Police Officers of the Jackson State Community College Police Department

All employees have the ability to contact the President directly with information related to emergencies and dangerous situations, or information may be submitted to the CSAs identified above.

Decisions to Notify Certain Campuses

Jackson State Community College will notify students, employees, and staff based on the assessed need. In the case of large segments of JSCC population being affected, notifications may be made to all campuses. Notifications may be made to individual campuses when conditions causing the notice are localized; however, a continuing assessment of situations may warrant additional notifications to other segments of the community.

Content of Notifications

The President or the President's senior staff designee will determine what information will be contained in notifications; depending on the segments being affected, notifications may vary between targets.

Means of Communication

Notifications will be disseminated using methods likely to reach members of the campus community, such as a text-message alert notification system (JSCC ALERT) which will alert the campus community of a crisis or emergency situation. Also, an emergency notification speaker (ENS) system has been placed in each building on the Jackson campus to assist the Chief of Police in the notification process.

Timeliness

Jackson State Community College will inform the community of a confirmed significant emergency or dangerous situation in a timely manner (as soon as pertinent information is available). The institution will take into consideration the safety of the community, will determine the content of any notifications, and will initiate the notification system. The institution may withhold a notification in situations where the professional judgment of responsible authorities indicates that issuing a notification will compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

Emergency Response and Evacuation Procedures [34 CFR §668.46(b)(13)]

Jackson State Community College maintains at least one version of an Emergency Preparedness Response Guide. The plan is easily recognizable with the Jackson State Community College logo and is clearly labeled "Emergency Management Plan." It is located at jHub, which is a centralized area for faculty, staff, and student access. The Guide contains Emergency Response Plans, Emergency Notifications, Medical Emergency Plan, Violent Intruder Protocol, Floor Plans, Evacuation Routes and Safe Places.

The Guide is also available online at: <https://jscc.edu/campus-life-services/police/>

In the event of a serious incident that poses an immediate threat to members of the JSCC campus community, the college has various systems in place for communicating information quickly. Some or all of these methods of communication may be activated in the event of an immediate threat to the campus community. These methods of communication include a text-message alert notification system (JSCC ALERT) which will alert the campus community of a crisis or emergency situation. Also, an emergency notification speaker (ENS) system has been placed in

each building on the Jackson campus to assist the Chief of Police in the notification process. Notifications may also be made on the Jackson State Community College website and Facebook page.

Jackson State Community College will, taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

Jackson State Community College conducts emergency preparedness drills to test the emergency response and evacuation procedures of each facility at all campuses on an annual basis. The results of each of these drills are recorded documenting the date, time, and whether it was an announced or unannounced drill.

Preparation of Disclosure of Crime Statistics [34 CFR §668.46(b)(1) and (b)(2)(ii)]

The Jackson State Community College Police Department prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. Copies of the crime statistics for the reporting period covered under this report have been included as Appendix A-C of this report. The statistics contained in this report are prepared in cooperation with the Jackson State Community College Police Department and local law enforcement agencies surrounding our main campus and alternate sites. Campus crime, arrest, and referral statistics include those reported to the campus security authorities and local law enforcement agencies when reported to the college. Upon completion of the Annual Security Report, an e-mail notification is made to all enrolled students, faculty and staff that provide the website to access this report. Copies of the report may also be obtained from the Jackson State Community College Police Department, located in Room 160 in the Student Center.

Copies of the Daily Crime Log are available for public inspection at the Jackson State Community College Police Department, located in Room 160 in the Student Center. Individuals at other locations may obtain access to the Daily Crime Log by contacting the highest-ranking administrator on the campus. The log is available during normal hours of operation of the college.

Voluntary Confidential Reporting of Crimes [34 CFR §668.46(b)(2)(iv)]

Jackson State Community College encourages anyone who is the victim or witness or has knowledge of any crime to promptly report the incident to one of the Campus Security Authorities described above. The confidentiality of persons reporting criminal activity can be requested and will be respected when possible but cannot be assured, as police reports for closed cases are generally available under the Tennessee Public Records Act. The annual crime statistics do not include personally identifiable information.

Security and Access [34 CFR §668.46(b)(3)]

During business hours, the college will be open to students, parents, employees, contractors, guests and invitees. During non-business hours, access to all college facilities is by key or access card, if issued. Some facilities may have individual hours, which may vary at different times of the year. In these cases, the facilities will be secured according to schedules developed by the

person responsible for the facility in consultation with the Chief of Police. Emergencies may necessitate changes or alterations to any posted schedules.

Jackson State Community College examines security issues such as landscaping, locks, alarms, lighting, and communications. Any maintenance needs are reported to the Physical Plant. Any identified security concern will be evaluated by the Chief of Police.

Memorandum of Understanding/Mutual Aid Agreement with Local Law Enforcement [34 CFR §668.46(b)(4)(i and ii)]

The Jackson State Community College Police Department entered into a Memorandum of Understanding or Mutual Aid Agreement with the Jackson Police Department that covers the main campus, Trenton Police Department that covers the Gibson County Center, Lexington Police Department that covers the Lexington – Henderson County Center, and the Savannah Police Department that covers the Savannah – Hardin County Center. The agreement provides for coordination between the Jackson State Community College Police Department and the respective local law enforcement agencies at the identified campuses. For campuses not covered by the agreement, the Jackson State Community College Police Department maintains a close working relationship with local law enforcement.

Encouragement of Accurate and Prompt Crime Reporting [34 CFR §668.46(b)(4)(iii)]

The campus community (students, faculty and staff), as well as others, are encouraged to report any criminal behavior or suspected criminal acts promptly to the Jackson State Community College Police Department, to a local law enforcement agency identified above, or to a Campus Security Authority identified above. In the event an emergency is occurring, call 911 to obtain immediate assistance from local law enforcement, and then contact a CSA. It is a core objective of Jackson State Community College to maintain a safe environment for the entire campus population and visitors. To help achieve this goal, each person is encouraged to promptly and accurately report criminal activity.

Security Awareness Programs for Students and Employees [34 CFR §668.46(b)(5) and (6)]

During orientation, staff and students are informed of the need to exercise personal safety and help maintain security at the college. During the first class period each semester, it is the policy of Jackson State Community College for faculty to review key aspects of the Emergency Management Plan with students and properly orient them on practical safety measures. Using common sense safety practices such as walking in groups, reporting suspicious activities, keeping money, books and other personal items protected, locking car and office doors when leaving, observing speed limits and generally being alert to personal welfare will ensure personal safety on and off campus. Furthermore, Jackson State Community College provides information on how to prevent crime through a prevention of workplace violence policy, firearms and other weapons policy.

Monitoring Off-campus Student Organizations [34 CFR §668.46(b)(7)]

Jackson State Community College does not have officially recognized student organizations with off-campus locations.

Alcohol Awareness and Illegal Drugs [34 CFR §668.46(b)(8) & (b)(9)]

Jackson State Community College students and employees are prohibited from engaging in the unlawful manufacture, distribution, dispensation, possession, use of or being under the influence of illicit drugs as defined in the Controlled Substances Act, 21 U.S.C. § 812 and/or alcohol on any Jackson State Community College campus, property owned or controlled by Jackson State Community College, or as part of any Jackson State Community College activity. The possession or consumption of alcoholic beverages on property owned or controlled by the college is prohibited, except as provided in TBR Policy 1.07.00.05, General Policy on Alcoholic Beverages. Students are subject to TBR Policy 3.02.00.01, General Policy on Student Conduct and Disciplinary Sanctions.

Violation of Jackson State Community College policies is grounds for disciplinary action, up to and including discharge of an employee and permanent dismissal of a student. Federal and state laws provide additional penalties for such unlawful activities, including fines and imprisonment, as do some local ordinances. See 21 U.S.C. § 812, T.C.A. § 39-6-401 et seq.

(T.C.A. § 1-3-113 and T.C.A. § 57-5-301). It is further an offense to provide alcoholic beverages to any person under the age of twenty-one (21), such offense being classified a Class A misdemeanor. (T.C.A. § 39-15-404). The offense of public intoxication is a Class C misdemeanor punishable by imprisonment of not more than 30 days or a fine of not more than \$50, or both. (T.C.A. § 39-17-310).

Policy Statement Addressing Substance Abuse Education [34 CFR §668.46(b)(10)]

A. General

Drug and Alcohol Awareness

Jackson State Community College is committed to raising the awareness of students and employees of the health risks associated with the use of illicit drugs and the abuse of alcohol.

A synopsis of those health risks is presented below.

B. Alcohol

Alcoholism is a complex, progressive disease that interferes with health, social and economic functioning. Untreated alcoholism results in physical incapacity, permanent mental damage and/or premature death. Alcohol is involved in one-third

of all suicides, one-half of all traffic accidents and one-fourth of all other accidents and is involved in over 50% of all arrests. Alcohol is the third leading cause of birth defects involving mental retardation. Use during pregnancy may cause spontaneous abortion, various birth defects or fetal alcohol syndrome. Drinking is implicated in cancer, heart disease, gastrointestinal disease and other illnesses. Alcoholism has been estimated to reduce life expectancy by twelve years. Alcohol Beverage can damage all body organs, leading to liver, heart and digestive problems, circulatory system interference, change in personality, reproductive problems and central nervous system disorder such as poor vision, loss of coordination, memory loss, loss of sensation, mental and physical disturbances and permanent brain damage. The physical and psychological changes that occur as a result of addiction to alcohol can pave the way for addiction to pharmacologically similar drugs.

C. Illicit Drugs

The use of illicit drugs results in many of the health risks that are involved with alcohol use. Illicit drug use increases the risk of mental deterioration, death from overdose, physical and mental dependence or addiction, hepatitis and skin infections from needle use, psychotic reactions, inducement to take stronger drugs, brain damage, danger of flashback phenomenon, hallucinations, unconsciousness, deep depression, distortion of time and space, permanent damage to lungs, brain, kidneys and liver, death from suffocation or choking, anemia, amnesia, AIDS and other infections. If used excessively, the use of alcohol and drugs singly or in certain combinations may cause death.

D. Counseling, Treatment and Rehabilitation Programs

The Counseling Office will assist students and/or employees by providing information concerning treatment resources in the surrounding area and assisting individuals in making initial contact with treatment providers. Regular employees may also use the Employee Assistance Program (EAP) by calling 1-855-437-3486 or on the web at <https://Here4TN.com>. Information concerning the EAP is available from Human Resources.

Policy Statement Regarding Hazing and Hazing Prevention [20 U.S.C. § 1092(f)(1)(K and L)]

The College strictly prohibits hazing, both by individuals and student organizations, and regardless of the consent of those involved.

TBR policy defines hazing consistently with state law, Tennessee Code Annotated § 49-7-123(a)(1). Hazing means any intentional or reckless act, on or off the property, of any higher education institution by an individual acting alone, or with others, which is directed against any other person(s) that endangers the mental or physical health or safety of that person(s), or which induces or coerces a person(s) to endanger such person(s) mental or physical health or safety. Hazing does not include customary athletic events or similar contests or competitions,

and is limited to those actions taken and situations created in connection with initiation into or affiliation with any organization. See TBR Policy 3.02.00.01 General Policy on Student Conduct and Disciplinary Sanctions (attached as Appendix C) and TBR Policy 3.01.01.00 Student Organizations (attached as Appendix D).

Allegations of hazing should be reported to the Dean for Students. Hazing allegations involving both students and student organizations will be investigated and resolved consistent with the disciplinary procedures in Section V of TBR Policy 3.02.00.01 General Policy on Student Conduct and Disciplinary Sanctions. The College will conduct an appropriate investigation, which may include witness interviews and review of documents and other information. The investigator will provide a written notice of the investigation, and at its conclusion, prepare a report summarizing the investigation. The President will review the report and make a written determination whether hazing has occurred and an appropriate disciplinary sanction. Students and student organizations have the ability to contest a determination consistent with TBR Policy 3.02.00.01 General Policy on Student Conduct and Disciplinary Sanctions.

Hazing prevention tools, including primary prevention strategies intended to stop hazing before hazing occurs, may be found in the [Hazing Prevention Toolkit](#).

Sexual Misconduct [34 CFR §668.46(b)(11)]

Sexual misconduct, including sexual assault, dating violence, domestic violence, and stalking, is a form of sex discrimination prohibited by Title IX. Jackson State Community College is committed to eliminating any and all acts of sexual misconduct and discrimination on its campuses. A copy of the Sexual Misconduct Policy is contained in Appendix B and may also be found under the Student Resources tab on the Jackson State Community College website at:

https://livejscc.sharepoint.com/:w:/s/PolicyLibrary/EY_FFh7EJ9pOkSbB-vzpGd0BbQTTGVlsmEM1Wq-T7TfRIw?rttime=8eRaXcrk3Ug

Sexual Misconduct Educational Programs and Campaigns [34 CFR §668.46(b)(11)(i)]

Jackson State Community College engages in comprehensive online educational programming to prevent sexual misconduct. Educational programming consists of primary prevention and awareness programs for all incoming students and new employees and ongoing awareness and prevention campaigns for students, staff, and faculty that:

1. Identifies domestic violence, dating violence, sexual assault and stalking as prohibited conduct;
2. Defines what behavior constitutes domestic violence, dating violence, sexual assault and stalking;
3. Defines what behavior and actions constitute consent to sexual activity;
4. Provides safe and positive options for bystander intervention that may be carried out by an individual to prevent harm or intervene when there is a risk of domestic violence, dating violence, sexual assault and stalking against a person other than the bystander;
5. Provides information on risk reduction so that students and employees may recognize warning signs of abusive behavior and how to avoid potential attacks.

Each fall, Jackson State Community College employees are required to complete Title IX Sexual Misconduct training relating to the above-described parameters. In similar fashion, Title IX Sexual Misconduct training is provided which is tailored to students. Each student is strongly encouraged, but not required, to complete the training.

Assistance for Victims of Sexual Misconduct: Rights and Options

A. Regardless of whether a victim elects to pursue a criminal complaint or whether the offense occurred on or off campus, the College will assist victims of sexual misconduct and will provide each victim with a written explanation of her/his rights as a member of the College.

B. Additionally, in the Tennessee court system, a victim of domestic violence, dating violence, sexual assault and stalking has the following rights: the right to confer with the prosecution, right to be free from intimidation, harassment and abuse throughout the criminal justice system, the right to be present at all proceedings where the defendant has the right to be present, the right to be heard, when relevant, at all critical stages of the criminal justice process as defined by the General Assembly, the right to be informed of all proceedings, and of the release, transfer or escape of the accused or convicted person, the right to a speedy trial or disposition and a prompt and final conclusion of the case after the conviction or sentence, the right to restitution from the offender and the right to be informed of each of the rights established for victims. Information related to these rights may be found at <https://www.tn.gov/correction/victim-services/tennessee-crime-victims--bill-of-rights.html>

C. Protection from abuse orders may be available through <http://www.tncourts.gov/programs/self-help-center/forms/order-protection-forms> and additional information related to such orders may be found at <https://tncoalition.org/find-help/>

D. The College does not publish the name of crime victims nor maintain identifiable information regarding victims in the Daily Crime Log or in the release of timely warnings.

Resources for Victims of Sexual Misconduct

The resources listed below are not exhaustive or limited to victims who wish to make an official report or participate in an institutional hearing, police investigation or criminal prosecution. However, in cases where a victim wishes to maintain complete confidentiality, the victim should review carefully the section “Reporting Confidentially” below related to the limits on the College’s ability to maintain confidentiality. Victims can seek information on treatment for injuries, preventative treatment for sexually transmitted diseases, and where and how to get a rape kit or find a Sexual Assault Nurse Examiner (SANE) from the resources listed in this section.

Reporting Confidentially

If a victim chooses to report an incident of sexual misconduct in a confidential manner, the victim can report the incident to the following agency who employs licensed counselors and is required by Tennessee state law to maintain confidentiality of a victim:

Sexual Assault Center, Counseling & Education

101 French Landing Dr., Nashville, TN 37228; (615) 259-9055

24-hour hotline 1-866-811-7473.

1725-I Wilma Rudolph Blvd., Clarksville, TN 37040; (931) 241-4143
<http://www.sacenter.org>

Counselors and health care providers not affiliated with the institution will generally maintain confidentiality and not share information with the institution unless the Complainant requests the disclosure and signs a consent or waiver form. However, these resources may have reporting obligations under state or federal law. For example, healthcare providers and certain other individuals are required to notify law enforcement when a person seeks treatment for injuries related to a violent crime, including injuries resulting from Sexual Misconduct or abuse of a minor.

Additional information about confidential reporting of sexual assault, sexual harassment, dating violence, domestic violence, and stalking can be found in the Sexual Misconduct Policy attached as Appendix A and available at:

Role of Title IX Coordinator

A. The College's Title IX Coordinator is responsible for overseeing all Title IX incidents reported to the institution and for implementation of this policy, including but not limited to, identifying and addressing any systemic gender-based harassment, discrimination, and sexual misconduct. The Title IX Coordinator's responsibilities include, but are not limited to, the following:

1. Investigation or oversight of investigations of allegations related to Title IX;
2. Coordination and oversight of educational programs including mandatory training for new students and employees and awareness campaigns for current students and employees;
3. Coordination with local law enforcement on matters related to allegations related to sexual misconduct;
4. Coordination and oversight of training for anyone involved in responding to, investigating, or adjudicating sexual misconduct;
5. Coordination and oversight of training for employees related to their responsibility when they are aware of sexual misconduct;
6. Coordination and oversight of annual training for investigators, decision makers, hearing officers and hearing committee members on the issues related to sexual misconduct and on how to conduct an investigation and hearing process that protects the safety of Complainants and promotes accountability; and
7. Attending appropriate training annually on topics related to responding to or investigating allegations of sexual misconduct.

B. The Title IX Coordinator may designate deputies and investigators (“designees”) to assist in carrying out any of the responsibilities related to implementing this policy.

The Title IX Coordinator shall report at the beginning of each new school year, or any time there is a change in the assignment, to the System Office the name of and contact information for the College’s Title IX Coordinator.

Bystander Intervention and Risk Reduction

Helping prevent sexual harassment is everyone’s responsibility. Bystander intervention is one means of prevention and reducing risks. Bystander intervention essentially means interrupting problematic behavior. Bystanders can help prevent sexual harassment in a safe way by being involved before, during, or after a situation where an individual may make inappropriate jokes or comments, may make threats, or may behave in a way that is harmful to another person. Individuals are encouraged to review bystander tips and strategies published by national resources.

Definitions [34 CFR §668.46(j)]

Jackson State Community College prohibits Sexual Misconduct, which includes rape, fondling, incest, statutory rape, dating violence, domestic violence, and stalking. Those terms are defined in the Sexual Misconduct policy (Appendix B) in accordance with federal Title IX and Clery Act regulations. The crime statistics reported in Appendix A are based on the Clery Act.

Crimes as defined by the Tennessee criminal code differ from the definitions in the Clery Act (and are not used for purposes of Clery Act reporting). Tennessee’s criminal code includes the following definitions.

Stalking (T.C.A. § 39-17-315) is a willful course of conduct involving repeated or continuing harassment of another individual that would cause a reasonable person to feel terrorized, frightened, intimidated, threatened, harassed, or molested, and that actually causes the victim to feel terrorized, frightened, intimidated, threatened, harassed, or molested.

- A “Course of conduct” means a pattern of conduct composed of a series of two or more separate, noncontinuous acts evidencing a continuity of purpose, including, but not limited to, acts in which the defendant directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to a person, or interferes with a person’s property.

- “Emotional distress” means significant mental suffering or distress that may, but does not necessarily, require medical or other professional treatment or counseling.
- “Harassment” means conduct directed toward a victim that includes, but is not limited to, repeated or continuing unconsented contact that would cause a reasonable person to suffer emotional distress, and that actually causes the victim to suffer emotional distress. Harassment does not include constitutionally protected activity or conduct that serves a legitimate purpose.
- “Unconsented contact” means any contact with another person that is initiated or continued without that person's consent, or in disregard of that person's expressed desire that the contact be avoided or discontinued. Unconsented contact includes, but is not limited to, any of the following: (1) following or appearing within the sight of that person; (2) approaching or confronting that person in a public place or on private property; (3) appearing at that person's workplace or residence; (4) entering onto or remaining on property owned, leased, or occupied by that person; (5) contacting that person by telephone; (6) sending to that person mail or any electronic communications, including, but not limited to, electronic mail, text messages, or any other type of electronic message sent using the Internet, web sites, or a social media platform; or (7) placing an object on, or delivering an object to, property owned, leased, or occupied by that person.
- “Victim” means an individual who is the target of a willful course of conduct involving repeated or continuing harassment.

Sexual Assault is not specifically defined in the Tennessee Code, but several sexual offenses are defined.

- **Rape** (T.C.A. § 39-13-503) is the unlawful sexual penetration of a victim by the defendant or of the defendant by a victim accompanied by any of the following circumstances: (1) Force or coercion is used to accomplish the act; (2) The sexual penetration is accomplished without the consent of the victim and the defendant knows or has reason to know at the time of the penetration that the victim did not consent; (3) The defendant knows or has reason to know that the victim is mentally defective, mentally incapacitated or physically helpless; or (4) The sexual penetration is accomplished by fraud.
- **Sexual Battery** (T.C.A. § 39-13-505) is unlawful sexual contact with a victim by the defendant or the defendant by a victim accompanied by any of the following circumstances: (1) force or coercion is used to accomplish the act; (2) the sexual contact is accomplished without the consent of the victim and the defendant knows or has reason to know at the time of the contact that the victim did not consent; (3) the defendant knows or has reason to know that the victim is mentally defective, mentally incapacitated or physically helpless; or (4) the sexual contact is accomplished by fraud.
- **Statutory Rape** (T.C.A. § 39-13-506) is the unlawful sexual penetration of a victim by the defendant or of the defendant by the victim when: (1) the victim is at least thirteen but less than fifteen years of age and the defendant is at least four years but less than ten years older than the victim; or (2) the victim is at least fifteen but less

than eighteen years of age and the defendant is more than five but less than ten years older than the victim.

- **Incest** (T.C.A. § 39-15-302) is sexual penetration as defined in T.C.A. § 39-13-501, with a person, knowing the person to be, without regard to legitimacy: (1) the person's natural parent, child, grandparent, grandchild, uncle, aunt, nephew, niece, stepparent, stepchild, adoptive parent, adoptive child; or (2) the person's brother or sister of the whole or half-blood or by adoption.
- **Other sexual offenses** are included in T.C.A. § 39-13-501 through § 39-13-511.

Domestic Violence and **Dating Violence** are not defined in the Tennessee criminal code, but the **Domestic Assault** and domestic abuse victim (T.C.A. § 39-13-111) are defined as any person who falls within the following categories: (1) adults or minors who are current or former spouses; (2) adults or minors who live together or who have lived together; (3) adults or minors who are dating or who have dated or who have or had a sexual relationship, but does not include fraternization between two individuals in a business or social context; (4) adults or minors related by blood or adoption; (5) adults or minors who are related or were formerly related by marriage; or (6) adult or minor children of a person in a relationship that is described in subdivisions (1)-(5).

- For purposes of these definitions, as defined in T.C.A. § 39-13-101 a person commits **Assault** who: (1) intentionally, knowingly or recklessly causes bodily injury to another; (2) intentionally or knowingly causes another to reasonably fear imminent bodily injury; or (3) intentionally or knowingly causes physical contact with another and a reasonable person would regard the contact as extremely offensive or provocative.
- **Abuse** (T.C.A. § 36-3-601) means inflicting, or attempting to inflict, physical injury on an adult or minor by other than accidental means, placing an adult or minor in fear of physical harm, physical restraint, malicious damage to the personal property of the abused party, including inflicting, or attempting to inflict, physical injury on any animal owned, possessed, leased, kept, or held by an adult or minor, or placing an adult or minor in fear of physical harm to any animal owned, possessed, leased, kept, or held by the adult or minor.
- **Adult** means any person eighteen (18) years of age or older, or who is otherwise emancipated.

Consent is not specifically defined in the Tennessee criminal code, but with respect to most criminal offenses relating to sexual activity, sexual activity is criminal if: (1) the activity was accomplished without the consent of the victim and the defendant knows or has reason to know at the time of the activity that the victim did not consent; (2) force or coercion is used to accomplish the activity; (3) the defendant knows or has reason to know that the victim is mentally defective, mentally incapacitated, or physically helpless; or (4) the sexual activity is accomplished by fraud.

- “Coercion” (T.C.A. § § 39-13-501(1)) means a threat of kidnapping, extortion, force, or violence to be performed immediately or in the future.

- “Mentally defective” (T.C.A. § 39-13-501(3)) means that a person suffers from a mental disease or defect which renders that person temporarily or permanently incapable of appraising the nature of the person's conduct.
- “Mentally incapacitated” (T.C.A. § 39-13-501(4)) means that a person is rendered temporarily incapable of appraising or controlling the person's conduct due to the influence of a narcotic, anesthetic or other substance administered to that person without the person's consent, or due to any other act committed upon that person without the person's consent.
- “Physically helpless” (T.C.A. § 39-13-501(5)) means that a person is unconscious, asleep or for any other reason physically or verbally unable to communicate unwillingness to do an act.
- Consent is not relevant to sexual activity with a person under the age of eighteen (18) years of age because under Tennessee law a minor is not capable of consenting to sexual activity. Tennessee law, however, provides a close-in-age exception that allows minors who are at least thirteen (13) and less than eighteen (18) to give consent to sexual acts with another person who is less than four (4) years older than the minor.

Sex Offender Registration [34 CFR §668.46(b)(12)]

In accordance to the *Campus Sex Crimes Prevention Act of 2000*, which amends the *Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act*, the *Jeanne Clery Act* and the *Family Educational Rights and Privacy Act of 1974*, the College is providing a link to the Tennessee State Sex Offender Registry. This act requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a state to provide notice of each institution of higher education in that state at which the person is employed, carries a vocation, or is a student. Members of the campus community may obtain the most recent information received from the Tennessee Bureau of Investigation (TBI) concerning sex offenders employed, enrolled, or volunteering at this institution from the State of Tennessee's website listing of sex offenders located at <https://sor.tbi.tn.gov/home>.

Unlawful use of the information for purposes of intimidating or harassing another is prohibited and willful violation shall be punishable as a Class 1 misdemeanor.

Disclaimer Regarding Non-Campus Property

In determining whether a location qualifies as “non-campus property” on the basis that is both controlled by the college and frequently used by students, the college considers property to be “controlled” by the college if it is owned by the college, leased by the college, or rented by the college for a term of longer than 31 days. The college considers property that it controls to be “frequently used” if it is used on three or more distinct occasions each year. (I.e., three or more separate and distinct uses, not a single use of three days/nights or two uses that total three days/nights.)

Hate Crimes

A Hate Crime is a criminal offense that manifests evidence that the victim was intentionally selected because of the perpetrator’s bias against the victim. Bias is a preformed negative opinion or attitude toward a group of persons based on their race, religion, sexual orientation, gender, gender identity, ethnicity, national origin, and disability. A hate crime is not a separate, distinct crime, but is the commission of a criminal offense which was motivated by the offender’s bias. If and when a hate crime is committed within the reporting geography of Jackson State Community College, it will be noted as such in the Annual Security Report. For this reporting cycle, there are no hate crimes to report.

Unfounded Crimes

A crime is “unfounded” if a reported crime is investigated by law enforcement authorities and found to be false or baseless, meaning that the crime did not occur or was never attempted. Only sworn or commissioned law enforcement personnel may unfound a crime. If and when a crime reported within the reporting geography of Jackson State Community College is found to be unfounded, it will be noted as such in the Annual Security Report. For this reporting cycle, there are no unfounded crimes to report.

Appendix B – Sexual Misconduct Policy

JACKSON STATE COMMUNITY COLLEGE

POLICY

TBR Policy Reference: 6.03.00.00

JSCC Policy Number: 6.03.00.00

Subject: Sexual Misconduct

Office Responsible: Compliance & Risk

Purpose

It is the intent of Jackson State Community College (College) to fully comply with Title IX of the Education Amendments of 1972, §485(f) of the HEA, as amended by § 304 of the Violence Against Women Reauthorization Act of 2013, the regulations implementing these Acts found at 34 CFR §668.41, §668.46, and Appendix A to Subpart D of Part 668. This policy addresses the offenses defined herein as "Sexual Misconduct." Sexual Misconduct is a subset of a broader category of sexual harassment. Allegations of sexual harassment that do not meet the definition of Sexual Misconduct will be handled in accordance with the College's Guideline P-080 and applicable institutional policy.

The College will provide a single, easily accessible, and user-friendly document to advise students, employees, and others affected by the sexual misconduct of each institution's rules and procedures. The college shall ensure that the sexual misconduct policy is in a format or formats that make it readily available. The following policy and procedures are adopted by the College to assist in such compliance.

Definitions

For the purpose of this policy, the following definitions shall apply:

- Complainant – a person who is alleged to be the victim of conduct that could constitute Sexual Misconduct. A Complainant may also be referred to as a Party.
- Consent - an active agreement to participate in a sexual act. An active agreement is words and/or actions that indicate a willingness to participate in a sexual act. Consent cannot be given by an individual who is asleep; unconscious; or mentally or physically incapacitated, either through the effect of drugs or alcohol or for any other reason; or is under duress, threat, coercion, or force. Past consent does not imply future consent. Silence or an absence of resistance does not imply consent. Consent can be withdrawn at any time.
- Dating violence - violence against a person when the accuser and accused are dating, or who have dated, or who have or had a sexual relationship. Dating and dated do not include fraternization between two individuals solely in a business or non-romantic social context. Violence includes, but is not necessarily limited to,
 - inflicting, or attempting to inflict, physical injury on the accuser by other than accidental means;
 - placing the accuser in fear of physical harm;
 - physical restraint;
 - malicious damage to the personal property of the accuser, including inflicting, or attempting to

- inflict, physical injury on any animal owned, possessed, leased, kept, or held by the accuser; or,
 - placing a victim in fear of physical harm to any animal owned, possessed, leased, kept, or held by the accuser.
- Domestic violence – includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime occurs, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction in which the crime occurs. In cases involving allegations of mutual acts or threats of acts of violence, the investigator will, when appropriate, identify the primary aggressor in the situation based on the totality of the information gathered, including, without limitation: the history of violence between the Parties; the relative severity of the injuries inflicted on each person; information gathered from the persons involved in the situation and witnesses to the situation; and whether the acts or threats were made in self- defense. The primary aggressor will be considered the Respondent for purposes of evaluating Domestic Violence.
- Education program or activity - education programs and activities include locations, events, or circumstances over which the College exercises substantial control over both the Respondent and the context in which the alleged Sexual Misconduct occurred. Relevant factors include whether the alleged conduct took place (i) on or off premises owned or controlled by the College, (ii) during school or work hours, (iii) as part of an institution-sponsored social activity, and (iv) as part of an activity that advances an educational purpose. Education programs or activities also include any building owned or controlled by a student organization officially recognized by the College. Whether the Respondent is an institutional employee, and if so, the nature of the Respondent’s employment may be relevant. No single factor is determinative, including whether or not the alleged harassment took place on premises owned or controlled by the College. The Title IX Coordinator, after consulting with the Office of General Counsel, will make a fact-specific Determination whether, if proven, the allegations arise out of an education program or activity. Where some alleged Sexual Misconduct took place within the College’s education program or activity, and some took place outside of it, the Title IX Coordinator will determine whether to investigate and adjudicate all of the allegations in accordance with this policy. The decision-maker will also make a Determination whether the College has established by a preponderance of the evidence that Sexual Misconduct took place in an institutional education program or activity.
- Force/Forced - words and/or conduct that, viewed from the perspective of a reasonable person, substantially impair(s) a person’s ability to voluntarily choose whether to take an action or participate in an activity. Examples of Force include, without limitation:
 - Physical force (e.g., hitting, punching, slapping, kicking, restraining, choking, kidnapping, using a weapon, blocking access to an exit);
 - Words and/or conduct that would cause a reasonable person to fear:
 - Physical force or other harm to the person’s health, safety, or property, or a third person’s health, safety, or property;
 - Loss or impairment of an academic benefit, employment benefit, or money;
 - Disclosure of sensitive personal information or information that would harm a person’s reputation;
 - Disclosure of video, audio, or an image that depicts the person’s nudity or depicts the

- person engaging in a sexual act(s); or
 - Other immediate or future physical, emotional, reputational, financial, or other harm to the person or a third person.
- Formal Complaint - a document filed by a Complainant or signed by the Title IX Coordinator alleging Sexual Misconduct against a Respondent and requesting that the institution investigate the allegation. When filing a Formal Complaint, a Complainant must either be participating in or attempting to participate in the institution's education program or activity implicated by the Formal Complaint.
- "Incapacitation" means that a person cannot actively agree to a sexual act because the person is asleep, unconscious, under the influence of an anesthetizing or intoxicating substance such that the person does not have control over their body, is otherwise unaware that a sexual act is occurring, or their mental, physical, or developmental abilities renders them incapable of making a rational, informed judgment. Incapacitation is not the same as legal intoxication. See Clarifications for more information.
- Respondent – a person who has been alleged to be a perpetrator of conduct that could constitute Sexual Misconduct. A Respondent may also be referred to as a Party.
- "Retaliation" means to intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by this policy or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing. Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment but arise out of the same facts or circumstances as a report or complaint of sex discrimination or a report or Formal Complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by this policy constitutes retaliation. Retaliation is a violation of this policy regardless of whether the underlying allegation of a violation of this policy is ultimately found to have merit.
 - The exercise of rights protected under the First Amendment does not constitute retaliation.
 - Charging an individual with a policy or code of conduct violation for making a materially false statement in bad faith during a grievance proceeding under this policy does not constitute retaliation.
- "Sexual Assault" is an umbrella term that includes rape, fondling, incest, and statutory rape.
 - "Rape" means the penetration, no matter how slight, of the vagina or anus, with any body part or object, or oral penetration by a sex organ of another person without the consent of the victim.
 - "Fondling" means the touching of the private body Part of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental incapacity.
 - "Incest" means sexual intercourse between persons related to each other within degrees where marriage is prohibited by law.
 - "Statutory rape" means sexual intercourse with a person under the statutory age of consent.
- Title IX Sexual Harassment – conduct on the basis of sex that satisfies either of the following:
 - an employee of an institution conditioning provision of an aid, benefit, or service of an institution on an individual's participation in unwelcome sexual conduct (quid pro quo);

- (2) unwelcome conduct of a sexual nature determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the institution's education program or activity. "Reasonable person" means a reasonable person under similar circumstances and with similar identities to the Complainant. The College will consider the totality of the circumstances, including, without limitation, the context in which the conduct and/or words occurred and the frequency, nature, and severity of the words and/or conduct. In no event shall Title IX sexual harassment be construed to prohibit speech protected by the First Amendment to the United States Constitution (e.g., merely offensive or insulting speech). (With respect to conduct by employees, the College also prohibits sexual harassment in accordance with Guideline P-080 and institutional policy.) See Clarifications for more information.
- Stalking – engaging in the course of conduct directed at a specific person that would cause a reasonable person to either (a) fear for his or her safety or the safety of others or (b) suffer substantial emotional distress. "Course of conduct" means two or more acts, including, but not limited to, acts in which a person directly, indirectly, or through third Parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates with or about another person, or interferes with another person's property. "Substantial emotional distress" means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling. For the definition of Stalking, "reasonable person" means a reasonable person under similar circumstances and with similar identities to the Complainant.

Policy/Guideline

- I. Prohibition of Sexual Misconduct and General Information
 - A. Sexual Misconduct is a form of sex discrimination prohibited by Title IX. The College is committed to helping its institutions rid their campuses of any and all acts of Sexual Misconduct. As set forth in this policy, Sexual Misconduct includes Title IX Sexual Harassment, Dating Violence, Domestic Violence, Stalking, and Sexual Assault. The College strictly prohibits these offenses.
 1. Because Sexual Misconduct is a subset of the broader category of sexual harassment, not all sexual harassment allegations will be handled according to this policy. Allegations of sexual harassment that do not fall within the more limited definition of Sexual Misconduct or otherwise do not meet the criteria for filing a Formal Complaint will be handled in accordance with Guideline P- 080 and institutional policy.
 2. With respect to allegations of Sexual Misconduct against faculty and staff in which a student is not the Complainant, additional laws and policies apply, most notably Title VII and anti-discrimination policies. In such situations and absent unusual circumstances, the Complainant may file a Formal Complaint pursuant to this policy or proceed pursuant to Guideline P-080 and the appropriate institutional policy.
 3. With respect to allegations of Sexual Misconduct in which a student is either a Complainant or Respondent and meets the criteria for filing a Formal Complaint, absent unusual circumstances, pursuing a Formal Complaint pursuant to this policy will be the appropriate method of addressing the allegations.
 4. Upon receiving and assessing a report of Sexual Misconduct and/or sexual harassment, the Title IX Coordinator will decide whether the criteria for

proceeding under this policy are met and whether another policy may apply. If there is a possibility of proceeding pursuant to Guideline P-080 and another institutional policy, the Title IX Coordinator will explain the options.

5. This policy applies to conduct by third parties. An example of a third party is a vendor with whom the institution contracts to provide services.
6. This policy applies to all students and employees, regardless of sexual orientation or gender identity.

B. Title IX Coordinators

Jackson State clearly identifies its Title IX Coordinator's name and contact information (mailing address, phone number, email address, etc.) in this policy and this information can be found on the JSCC website Compliance and Risk.

Yakendra Bond
 Training & Compliance Coordinator, Title IX Coordinator
 731-424-3520, Extension 50326
ybond1@jsc.edu

C. Lack of Bias and Equitable Treatment

1. Neither the Title IX Coordinator, any investigator, any decision-maker, any person designated to facilitate an informal resolution process, nor anyone deciding an appeal will have a conflict of interest or bias for or against complainants or respondents generally or against an individual Complainant or Respondent.
2. The Title IX Coordinator is responsible for appointing investigators, decision-makers, and appellate reviewers and may appoint someone from another institution or someone not employed by a TBR institution to avoid potential bias or for other reasons. In the event of potential bias of the Title IX Coordinator, or if the Title IX Coordinator believes that another person should serve in that role for other reasons, the Title IX Coordinator should report the matter to TBR Central Office.
3. The Institution will provide a prompt, fair, and impartial investigation, adjudication, and, if applicable, disciplinary process. Institutions will treat Complainants and Respondents equitably, which includes an objective evaluation of all relevant evidence, including both evidence that tends to prove or disprove the allegations.
4. Credibility determinations will not be based on a person's status as a Complainant, Respondent, or witness.
5. The investigation will proceed with a presumption that the Respondent is not responsible for the alleged conduct unless and until a Determination of responsibility for violating this policy is made at the conclusion of the decision-making process. The institution's responsible for establishing Sexual Misconduct by a preponderance of the evidence.
6. The institution shall provide simultaneous written notification to the Parties of (1) any initial, interim, or final decision by an official authorized to resolve disciplinary matters, (2) any available appeal procedures for that decision, (3) any change to that decision, and (4) when that decision becomes final. The Parties will receive timely and equal access to information.

II. How to Report Sexual Misconduct

- A. The College takes all complaints of sexual discrimination, sexual harassment, and Sexual Misconduct seriously. This section explains the various reporting, complaint, and confidential disclosure options available to enable individuals to make informed choices about where to turn should they experience sexual discrimination, sexual harassment, or Sexual Misconduct.
 1. The College's institutional policy shall explain how to report Sexual Misconduct to the Title IX Coordinator. Such a report can be made at any time, including during non-business hours, using the telephone number, electronic mail address, or office mail address listed for the Title IX Coordinator.
 2. The College recommends that reports and complaints of all Sexual Misconduct be made to the Title IX Coordinator so that the institution can respond appropriately. Although reports and complaints of Sexual Misconduct may be made at any time, reports should be made as soon as possible so that the institution can best address the allegation.
 3. The College encourages anyone who witnesses, experiences or has information about possible Sexual Misconduct to take reasonable actions to prevent or stop such actions. This may include speaking up while the behavior is taking place or immediately afterward, reporting the behavior (in accordance with the reporting options outlined in this policy), directly intervening when it is safe and reasonable to do so, contacting law enforcement, or other means. A person who has been subjected to any type of Sexual Misconduct need not confront the other Party. The appropriate process to address the conduct is through this or other applicable policy.
- B. Supportive and Interim Measures
 1. After receiving a report of potential Sexual Misconduct, whether or not the report is a Formal Complaint, the Title IX Coordinator will contact the Complainant to discuss the availability of Interim/Supportive Measures, inform the Complainant of their availability, and consider the Complainant's wishes with respect to potential Interim/Supportive Measures. The Title IX Coordinator will also explain the process for filing a Formal Complaint.
 2. The Title IX Coordinator, in conjunction with the appropriate department, may implement interim, supportive, or protective measures while assessing, investigating, and resolving the report. These Interim/Supportive Measures are non-disciplinary, non-punitive, individualized services. They are offered without fee or charge to the Complainant or Respondent before or after filing a Formal Complaint or where no Formal Complaint has been filed.
 3. They are designed to restore or preserve equal access to the institution's programs or activities without unreasonably burdening the other Party. They may include measures designed to protect the safety of all Parties or the institution's educational environment or deter Sexual Misconduct.
 4. These measures may include but are not limited to mutual no-contact directives; access to counseling services and assistance in setting up an initial appointment; changing schedules, assignments, or job/study locations to lessen or minimize contact; extensions of deadlines and course-related adjustments; limiting or barring an individual's or organization's access to certain institutional facilities or activities; providing an escort to ensure safe

movement on campus; providing academic support services, such as tutoring; arranging for a Party to re-take a course or withdraw from a class without penalty; administrative leave; leave of absence; institution-imposed leave or physical separation from individuals or locations.

5. The institution will attempt to maintain the confidentiality of such Interim/Supportive Measures to the extent that it can do so without impairing its ability to effectuate the Interim/Supportive Measures or to investigate and adjudicate the complaint.

C. Formal Complaint

1. Any person who has been a victim of Sexual Misconduct within an education program or activity of the College in the United States may file a Formal Complaint under this policy.
2. A Complainant who wants the College to conduct an investigation and take action in accordance with this policy must file a Formal Complaint alleging Sexual Misconduct.
3. A Complainant must submit a written Formal Complaint in person, by mail, or via electronic mail to the Title IX Coordinator. The document must contain the Complainant's physical signature or a "digital signature." (A digital signature is information transmitted electronically that enables the Title IX Coordinator to determine that the Complainant is the person submitting the complaint, including, but not limited to an email from the College's account or a typed version of the Complainant's name. A digital signature need not reproduce a written signature.) A Formal Complaint cannot be submitted anonymously. Only the Title IX Coordinator can submit a Formal Complaint on behalf of another person.
4. Although the College will attempt to consider the wishes of Complainants, including that no investigation be conducted, the College will also consider its obligations under College policy, TBR policy, and applicable law, including Title VII of the Civil Rights Act of 1964. Thus, when the Title IX Coordinator receives a report of Sexual Misconduct, and especially when the complaint involves an employee, the Title IX Coordinator may decide to investigate the matter pursuant to Guideline P-080 and institutional policy, even if the Complainant does not want the report investigated. If the Title IX Coordinator decides to file a Formal Complaint, the Title IX Coordinator is not a "Party" to any investigation, Determination, or hearing process.
5. Complainants should provide as much of the following information as possible: what happened, where, and when; names of all people involved, including witnesses (if any); supporting documentation (if any); and contact information. The College encourages reporting Sexual Misconduct even if some or all information is unavailable or cannot be provided. The Title IX Coordinator will explain their role, the options for reporting an incident, potential available Interim/Supportive Measures, and the available resources for assistance.

D. Confidential Resources (who will not share information with Title IX Coordinator)

1. The College encourages victims of Sexual Misconduct to talk to someone about what happened, whether they want their report to be investigated or not. Institutions should offer Complainants someone to talk to confidentially

so that they can get the support they need. This policy explains that some resources are confidential and should be considered if the Complainant does not want the institution to investigate the matter.

2. If the institution employs or contracts with such individuals, confidential resources include licensed professional counselors/mental health providers when acting in that role, pastoral counselors acting in that capacity, and medical professionals when acting in a clinical role. These resources do not report any information about an incident to the Title IX Coordinator without a Complainant's permission. Institutional policies shall identify and provide contact information for any confidential reporting options within the institution.
3. Counselors and health care providers not affiliated with the institution will generally maintain confidentiality and not share information with the institution unless the Complainant requests the disclosure and signs a consent or waiver form. However, these resources may have reporting obligations under state or federal law. For example, healthcare providers and specific other individuals are required to notify law enforcement when a person seeks treatment for injuries related to a violent crime, including injuries resulting from Sexual Misconduct or abuse of a minor.

E. Reporting by Employees

1. Institutional policy provides that:
 - a. All employees who learn of Sexual Misconduct (or any form of sexual harassment or sex discrimination, or retaliation) are encouraged to report such matters to the Title IX Coordinator.
 - b. Supervisors and managers who learn of Sexual Misconduct (or any form of sexual harassment or sex discrimination, or retaliation) must immediately report such concerns to the Title IX Coordinator.

F. Anonymous and Third-Party/Bystander Reporting

1. This institutional policy encourages third parties to report incidents of Sexual Misconduct to the Title IX Coordinator. The institution may not be able to move forward with third-party reports if the Complainant does not wish to file a Formal Complaint or cooperate with an investigation.
2. After providing a report, third parties are not entitled to information about the institution's investigation and response due to privacy concerns and applicable federal and state laws.

G. Abuse of Minors

1. Jackson State policy states that Tennessee law mandates reporting by any person who has knowledge of physical or mental harm to a child if: (1) the nature of the harm reasonably indicates it was caused by brutality, abuse, or neglect; or (2) on the basis of available information, the harm reasonably appears to have been caused by brutality, abuse, or neglect. Tennessee law also mandates reporting by any person who knows or has reasonable cause to suspect that a child has been sexually abused, regardless of whether the child has sustained any apparent injury due to the abuse.
2. In a life-threatening emergency, a report of child abuse or sexual abuse should be made by calling 911. In other cases, a report of child abuse or child sexual abuse must be made immediately to one of the following authorities:

- a. The Tennessee Department of Children's Services (the Central Intake Child Abuse Hotline is 1-877-237-0004);
 - b. The sheriff of the county where the child resides;
 - c. The chief law enforcement official of the city where the child resides; or
 - d. A judge having juvenile jurisdiction over the child.
3. In addition, institutional employees shall make a report of child abuse or child sexual abuse in connection with an institutional program or activity to the Title IX Coordinator. Note that a report to an institutional law enforcement or security agency is insufficient to comply with state law.

H. Law Enforcement

1. The following law enforcement agencies listed in this policy are available for emergency response, facilitating medical transport, investigating incidents of a criminal nature, referrals, and preserving evidence. Law enforcement may be required to report potential violations of this policy to the Title IX Coordinator and to report incidents of sexual assault and other criminal acts of a serious nature to other law enforcement authorities.
2. Local law enforcement agencies include:

I. Reporting Pursuant to the Nottingham Act.

1. Unless the victim of a rape does not consent to the reporting of an offense, the chief security officer or chief law enforcement officer of each institution shall immediately notify the local law enforcement agency with territorial jurisdiction over the institution if the officer is in receipt of a report from the victim alleging that any degree of rape has occurred on the property of the institution. The chief security officer or law enforcement officer shall designate one (1) or more persons who shall have the authority and duty to notify the appropriate law enforcement agency in the absence of the chief security officer or chief law enforcement officer. In the case of an alleged rape, the institution's law enforcement agency shall lead the investigation. After notifying the local law enforcement agency, the institution shall cooperate in every respect with the investigation conducted by the law enforcement agency. T.C.A. § 49-7-129.
2. If the victim does not consent to the reporting, the chief security officer or chief law enforcement officer of the institution shall not report the offense to the local law enforcement agency. T.C.A. § 49-7-2207; T.C.A. § 49-7-129.

III. Additional Information

A. No Retaliation

1. Retaliation against a person who makes a report or files a complaint, participates or assists in an investigation, encourages another to file a complaint, or opposes Sexual Misconduct (or any other form of discrimination prohibited by institutional policy) is prohibited. Individuals must not interfere with an investigation. Retaliation will result in disciplinary measures, up to and including termination or expulsion.
2. In order to help prevent retaliation, the institutional policy is to keep confidential the identity of anyone who has made a report or complaint of sex discrimination, including anyone who has filed a Formal Complaint of Sexual Misconduct, any Complainant, any Respondent, and any witness except as is required to carry out an institution's responsibilities under this policy, as permitted by FERPA, or as required by law.
3. Anyone who wishes to file a retaliation complaint should contact the Title IX Coordinator.

B. Emergency Removal/Administrative Leave

1. If it appears, based on an allegation of Sexual Misconduct, that a student may constitute an immediate and direct threat to another individual's physical health or safety, the institution will conduct an individualized inquiry and risk analysis. It may place the student on interim suspension on an emergency basis. If the institution implements an interim suspension, the student shall be given the opportunity at the time of the decision, or as soon thereafter as reasonably possible, to contest the interim suspension. Institutions shall follow the procedures set forth in the College's-General

Regulations on Student Conduct & Disciplinary Sanctions (and applicable institutional policies) before placing any student on interim suspension.

2. The institution may place employees on administrative leave or similar action while addressing allegations of Sexual Misconduct.
3. Visitors, vendors, and other third Parties may be removed from the premises consistent with applicable policies and procedures.

C. Court Orders

1. Individuals may seek orders of protection, restraining orders, or other similar orders from a court of law.

D. The institution does not create a separate procedure for investigating and resolving complaints of Sexual Misconduct involving athletes or any other subgroup of students.

E. Participation in the Formal Complaint process by a Complainant, Respondent, institution, or other person does not waive applicable privileges, including attorney- client privilege, doctor-patient privilege, peer review/quality improvement privilege, etc. The holder of a privilege may waive it in certain circumstances.

IV. Investigation and Outcomes

A. The Office of General Counsel shall always be consulted prior to investigation.

B. Intake and Assessment of Formal Complaints

1. The Title IX Coordinator will assess the nature of reports and Formal Complaints, including whether one or more allegations meet the criteria for the filing of a Formal Complaint (e.g., whether the allegations include conduct that if proven, took place in the United States and will constitute Sexual Misconduct in an education program or activity by a participant or someone attempting to participate in the education program or activity). Formal Complaints that include some allegations that, if proven, constitute Sexual Misconduct and some that do not meet that definition will be handled pursuant to this policy. As appropriate, the Title IX Coordinator may initiate proceedings under another policy, refer the matter to another department, and/or inform the Complainant about the availability of other methods to address the allegations.
2. As part of the assessment, the Title IX Coordinator or designee may contact the Complainant and ask for information about the allegations. Supporting documents, such as emails, photos, text messages, and other evidence, should be preserved. If witnesses are present or have relevant knowledge, it is essential to identify them, state what they may know, and inform the investigator how they can be contacted.
3. Where Formal Complaints involving more than one Complainant and/or more than one Respondent arise from the same facts and circumstances, the Title IX Coordinator may consolidate Formal Complaints.

C. Notice of Allegations

1. Upon receipt of a Formal Complaint, the Title IX Coordinator will provide written notice to known Parties. (A Notice of Allegations will be provided

even if the Formal Complaint is dismissed simultaneously or shortly after the Notice of Allegations issues (e.g., the allegations, if proven, do not meet the definition of Sexual Misconduct)). The Notice of Allegations will enable both Parties to appeal the dismissal or to proceed under another policy.) The Notice of Allegations shall contain:

- a. an explanation of the investigation and grievance process, including a copy of or link to institutional policy, as well as any other applicable policies;
 - b. the availability of an informal resolution process;
 - c. explanation of the allegations potentially constituting Sexual Misconduct in sufficient detail and with sufficient time to prepare a response before any initial interview. A Respondent will have at least three (3) business days after issuance of a Notice of Allegations prior to an initial interview, but depending on the nature of the allegations, additional time may be offered or requested;
 - d. the identity of the Parties involved in the incident, if known, and the date and location of the alleged incident;
 - e. a statement that the Respondent is presumed not responsible for the alleged conduct unless and until a Determination of responsibility has been issued;
 - f. a statement that the Parties may have an advisor of their choice at meetings they are permitted to attend. The advisor may be but is not required to be, an attorney. (Parties may hire their own attorneys. At a live hearing, only the College will provide advisors to Parties who do not have their own);
 - g. any statements in the College's institutional policies, procedures, or guidelines that prohibit knowingly making false statements or knowingly submitting false information during the process; and
 - h. a statement that retaliation against a person who makes a report or files a complaint, participates or assists in an investigation, encourages another to file a complaint, or opposes Sexual Misconduct is prohibited and will result in disciplinary measures, up to and including termination or dismissal.
2. If, during the course of an investigation, the institution decides to investigate allegations about the Complainant or Respondent that are not included in the Notice of Allegations, the institution will provide additional written Notice of Allegations to known Parties.

D. Dismissal of Formal Complaints

1. The Title IX Coordinator shall obtain advice from the Office of General Counsel before dismissing a Formal Complaint.
2. If the Title IX Coordinator concludes that the Complainant was not participating in or attempting to participate in an institutional education program or activity at the time of the Formal Complaint or that the conduct alleged in a Formal Complaint would not constitute Sexual Misconduct even if proved, did not occur in an institution's education program or activity, or did not occur against a person while in the United States, the Title IX Coordinator shall dismiss the Formal Complaint.
3. The Title IX Coordinator has the discretion to dismiss a Formal Complaint or any allegations in it if, at any time during the investigation or hearing, a Complainant notifies the Title IX Coordinator in writing that the Complainant

would like to withdraw the Formal Complaint or any allegations in it; the Respondent is no longer enrolled by, employed by, or associated with the College; or specific circumstances prevent the College from gathering evidence sufficient to reach a Determination as to the Formal Complaint or allegations therein.

4. The Title IX Coordinator may decide to dismiss a Formal Complaint of Sexual Misconduct and refer the matter for disposition pursuant to a different policy, guideline, or process when an allegation of Sexual Misconduct is dismissed or when a Formal Complaint ceases to include an allegation of Sexual Misconduct.
5. Upon dismissal of a Formal Complaint for any reason, the Title IX Coordinator will promptly send the Parties a written notice explaining the reasons for dismissal. The dismissal notice will also explain whether the College will investigate or respond to the allegations under another policy, guideline, or process and the availability of other methods to address the allegations.

E. Informal Resolution

1. Because a full investigation and adjudication process may not be in the best interests of all concerned, the Title IX Coordinator may offer an informal resolution process. The informal resolution process is designed to provide flexibility in crafting a resolution to a Formal Complaint that meets the needs of the Parties and the institution. Informal resolutions may include meetings facilitated by the College or third parties, resolutions facilitated by the Title IX Coordinator without formal meetings, mediations, and/or restorative justice concepts. Disciplinary action may or may not be part of any informal resolution. Both Parties must agree in writing to participate in an informal resolution process the Title IX Coordinator may offer.
2. An informal resolution process is only available after filing a Formal Complaint and prior to a Determination regarding responsibility. If the Title IX Coordinator believes an informal resolution may be appropriate, the Title IX Coordinator will propose an informal resolution process in either the initial Notice of Allegations or a subsequent written document. The Title IX Coordinator may discuss with the Parties the details of how the process will work. The written notice will contain the allegations or refer to the Notice of Allegations, set out the informal resolution process, and explain that at any time prior to agreeing to a resolution, the Complainant, Respondent, or the institution may withdraw from the informal resolution process and resume the investigation and adjudication process under this policy, and identify any records that will be maintained or shared related to the process.
3. The Title IX Coordinator will not offer or facilitate an informal resolution process to resolve allegations that an employee engaged in Sexual Misconduct against a student.

F. Investigation of Formal Complaints

1. The College will investigate all Formal Complaints unless dismissed or resolved through an informal resolution. During the investigation:
 - a. The institution will not access, consider, disclose, or otherwise use a Party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional acting in the professional's capacity and made or maintained in connection with the treatment to the Party unless the Party voluntarily consents in writing;

- b. The investigator will conduct an investigation that is appropriate under the circumstances. The investigation will include a review of documents, physical evidence, and interviews with the Parties and others. The investigator may request access to premises, records, and documents deemed relevant. As the investigation progresses, the investigator may seek clarification, including during a subsequent interview, from any person participating in the investigation regarding the incident or their statement. A Party who learns or remembers any additional information should notify the investigator immediately. The Parties will have an equal opportunity to provide evidence and to identify witnesses, including fact and expert witnesses. Parties are encouraged to provide, as soon as possible, any evidence that the Party believes to be relevant and wants the investigator to consider. If at all possible, all evidence should be provided in time for the investigator to make it available for inspection and review;
- c. Although the Parties are encouraged to provide the institution with information and evidence related to the allegations, the institution is ultimately responsible for gathering evidence sufficient to reach a Determination regarding responsibility;
- d. The institution will not restrict the Parties from discussing the allegations under investigation or from gathering and presenting relevant evidence. Any restrictions on the ability of the Parties to discuss matters related to the proceeding but which are not under investigation will be explained in the Notice of Allegations;
- e. Each Party will have the opportunity to obtain and to be accompanied to a meeting or proceeding by an advisor of their choice, who may, but is not required to be, an attorney, in accordance with Section IV.H. below;
- f. When a Party is invited or expected to participate in a meeting, the institution will provide written notice of the date, time, location, participants, and purpose of the meeting, interview, or hearing, with sufficient time for the Party to prepare to participate;
- g. Both Parties will have an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a Formal Complaint, including evidence that is directly related to the allegations but upon which the institution does not intend to rely in reaching a Determination regarding responsibility. The institution will include both evidence that tends to prove and disprove the allegations, whether obtained from a Party or other source so that each Party can meaningfully respond to the evidence prior to the conclusion of the investigation;
- h. Prior to completing an investigative report, the institution will send to each Party the evidence subject to inspection and review. Unless a Party requests that the institution not do so, the institution will also send the evidence to each advisor who has been identified. An institution may decide to provide access to evidence through electronic means that is not available for download. In such case, the Parties and their advisors are prohibited from, directly or indirectly, photographing or reproducing such evidence (unless the Party has independent access to the evidence independent of the portal, e.g., documents submitted by the Party or publicly available information); and
- i. The institution will provide at least ten (10) calendar days for the Parties to respond to the evidence provided for inspection and review. The

investigator will share any written response with the other Party and consider any written response before completing the investigative report.

G. Investigation Report

1. At the conclusion of the investigation, the investigator will prepare a written report. The report shall:
 - a. identify the allegations;
 - b. identify relevant policies, guidelines, and other standards;
 - c. explain the procedural steps taken between receipt of the Formal Complaint and the conclusion of the investigation, including all notifications to the Parties, interviews with the Parties, interviews with other witnesses, dates of all interviews, any site visits, and the methods used to gather evidence; and
 - d. fairly summarize the relevant evidence.
2. The written report shall not make findings of fact or conclusions regarding applying facts to this policy.
3. At least (ten) 10 calendar days prior to a hearing, the investigator will send each Party the investigation report in either electronic or hard copy, for their review and written response. Unless a Party requests that the institution not do so, the institution will also send the investigation report to an advisor with whom the Party has identified.
4. The Parties should provide any written response as soon as possible, as the investigator may issue an amended investigation report if the investigator deems it appropriate and if a Party provides comments in sufficient time for the investigator to do so. The Parties' written responses and any amended investigation report will be sent to the decision-maker.

H. Advisors

1. Both the Complainant and the Respondent will be permitted to have an advisor of their choosing present during meetings where their attendance is permitted or expected. Nothing in this policy shall be read to require that the institution allow a Party to attend an interview of the other Party or a witness.
2. The advisor may accompany and confer privately with a Party. Still, the advisor may not interrupt, speak on behalf of a Party, or otherwise actively participate in any meeting except for conducting cross-examination at a live hearing.
3. An advisor's failure to comply with these guidelines may result in the termination of the meeting or the advisor no longer being permitted to be present.
4. The College and institutional personnel employed in the offices responsible for the disciplinary proceedings described in this policy, along with those in the chain of command, personnel employed by the TBR Office of General Counsel (OGC), and others whose participation could create a conflict of interest with their duties are not eligible to serve as advisors. The institution shall not otherwise limit the choice of an advisor.
5. If there is a question or concern about a possible advisor, the Title IX Coordinator should be consulted. A Party choosing to have an attorney

present as an advisor must provide advance notice so that a member of OGC can attend any meeting at which an attorney will be present

I. Recordings

1. Parties are prohibited from recording any meeting conducted pursuant to this policy.
2. When a live hearing is conducted, the institution will create an audio recording, audiovisual recording, or transcript and make it available to the Parties for inspection and review.

J. Past Relationships and Conduct

1. Previous sexual relationships of the Complainant and Respondent with third parties generally are irrelevant.
2. A past sexual relationship between the Complainant and Respondent may or may not be relevant. For example, past sexual encounters may provide insight into communication patterns for purposes of determining whether consent was present.
3. Questions and evidence about a Complainant's sexual predisposition or prior sexual behavior are not relevant unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to Respondent and are offered to prove consent.

K. Standard of Evidence

1. The College uses the preponderance of the evidence standard of evidence in evaluating whether Sexual Misconduct occurred. A "preponderance of evidence" means the greater weight of the evidence or that, according to the evidence, the conclusion sought by the party with the burden of proof is the more probable conclusion.
2. The burden of proof will remain with the institution through the Determination.

L. Timeline

1. Formal Complaints typically will be resolved (exclusive of any appeals) within 90 calendar days of filing.
2. Appeals will be resolved within fifteen (15) calendar days of the filing of an appeal.
3. Given the many variables and factors that may arise in such cases, additional time may be needed in some cases. Any departure from these frames will be for a good cause and communicated in writing or by email to both the Complainant and the Respondent simultaneously, along with a new timeline and explanation of the reasons. Good cause to extend the deadlines includes, but is not limited to, the absence of a Party, a Party's advisor, or witness; concurrent law enforcement activity; or the need for language assistance or the accommodation of disabilities.
4. Incompletion of the process within such time frames is not cause for dismissal of a Formal Complaint.

M. Parallel Investigations with Law Enforcement

1. Filing a police report or the pendency of civil or criminal proceedings does not preclude the institution from proceeding with its investigation and Determination.
2. The investigation and Determination may be delayed until law enforcement has finished gathering evidence and indicated that the institution might proceed with an investigation. Still, the institution generally will not wait for the conclusion of any criminal proceeding.
3. Civil or criminal proceedings are separate and distinct from internal institutional proceedings and may or may not run parallel to one another. However, the institution may be required by law to provide information in civil or criminal proceedings.
4. The institution policy sets forth parameters and clarifies what information may and may not be shared during a parallel investigation with law enforcement (e.g., via a memorandum of understanding with local law enforcement).

N. Live Hearings

1. The institution will conduct a live hearing of Formal Complaints not dismissed pursuant to this policy to make a Determination whether this policy has been violated. The decision-maker appointed by the Title IX Coordinator has the authority to maintain order at the hearing and make all decisions necessary for the fair, orderly, and expeditious conduct of the hearing. The decision-maker shall be the final decider concerning all aspects of the hearing, including prehearing matters and at the hearing, how evidence is examined, and the order of witnesses.
2. At the request of either Party, the institution will provide for the live hearing to be conducted with the Parties located in separate rooms with technology enabling the decision-maker and Parties to simultaneously see and hear the Party or the witness answering questions.
3. In cases involving more than one Respondent, any Party may request separate hearings by submitting a request at least five (5) business days before the hearing. The Title IX Coordinator will decide whether to grant the request.
4. Live hearings may be conducted with all Parties physically present in the exact geographic location or, at the institution's discretion, any or all Parties, witnesses, and other participants may appear at the live hearing virtually, with technology enabling participants to see and hear each other simultaneously.
5. At least ten (10) business days prior to a live hearing, the institution will provide both Parties with written notice of the following:
 - a. The time, place, date of the hearing, and electronic access information, if applicable;
 - b. The name of each witness the institution expects to present or be present at the hearing and those the institution may present if the need arises;
 - c. The right to request a copy of the investigative file (other than portions that are protected by law or privilege), which includes all of the evidence obtained as part of the investigation that is directly related to the allegations raised in the Formal Complaint;
 - d. The right to request copies of all documents, copies of electronically stored information, and access to tangible evidence that the institution

has in its possession, custody, or control and may use to support claims or defenses;

- e. The right to have an advisor of the Party's choice, who may be, but is not required to be, an attorney, and that if the Party does not have an advisor present at the hearing, the institution will provide an advisor of the institutions' choice, without fee or charge, to ask the other Party and any witnesses all relevant questions and follow-up questions on behalf of that Party;
 - f. Any Party in need of an institution-provided advisor must inform the Title IX Coordinator at least five (5) business days before the hearing;
 - g. Any cross-examination of any other Party or witness must be conducted by the advisor; and
 - h. Other information may be included in the notice of hearing.
6. When notice is sent by U.S. mail or courier service, the notice is effective on the date the notice is mailed or delivered to the courier service. When notice is hand delivered by the institution, notice is effective on the date that the notice is delivered to the Parties. When notice is sent by email, the notice is effective on the date the email is sent to the Parties' institution-provided email account.
 7. The decision-maker may conduct a pre-hearing meeting or conference with the Parties and their advisors to discuss pre-hearing issues, including any technology to be used at the hearing and the general rules governing the hearing.
 8. The decision-maker may allow a temporary delay of the process or the limited extension of time frames for a good cause with written notice to the Parties of the delay or extension and the reasons for the action. Good cause may include, but is not limited to, considerations such as the absence of a Party, a Party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.
 9. If a Party fails to attend a hearing, the decision-maker may proceed without that Party's participation.
 10. During the hearing, the decision-maker will make evidence subject to review and inspection during the investigation phase available to give each Party the equal opportunity to refer to that evidence, including for purposes of cross-examination.
 11. Questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant unless such questions and evidence about the Complainant's prior sexual behavior are offered to provide that someone other than the Respondent committed the conduct alleged by the Complainant or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent.
 12. Only relevant cross-examination questions may be asked of a Party or witness. Before a Complainant, Respondent, or witness answers a cross-examination or question from someone other than the decision-maker, the decision-maker will determine whether the question is relevant and explain any decision to exclude a question as irrelevant first.
 13. The decision-maker will not require, allow, rely upon, or otherwise use questions or evidence that constitute or seek disclosure of information protected under a legally recognized privilege unless the person holding the privilege has waived the privilege.

14. The decision-maker will permit each Party's advisor to ask the other Party and any witnesses all relevant and follow-up questions, including those challenging credibility. Such cross-examination at the live hearing will be conducted directly, orally, and in real-time by the Party's advisor and never by a Party personally. Conducting cross-examination will be the advisor's only opportunity to speak. Advisors will not engage in other presentations of arguments or evidence, including opening statements, closing arguments, or direct examinations.
 15. If a Party does not have an advisor at the live hearing, the institution will provide an advisor, without fee or charge to that Party. The institution will choose the advisor.
 16. If a Party or witness does not submit to cross-examination at the live hearing, the decision-maker will not rely on any statement of that Party or witness in reaching a Determination regarding responsibility, provided however, that the decision-maker cannot draw an inference about the Determination regarding responsibility based solely on a Party's or witness's absence from the live hearing or refusal to answer cross-examination or other questions.
 17. For good cause shown, a decision-maker may permit the participation of witnesses not identified by the Party to the investigator or the inclusion of evidence not provided by the Party to the investigator.
 18. The institution will create an audio or audiovisual recording, or transcript, of a live hearing and make it available to the Parties for inspection and review.
 19. The decision-maker may dismiss the Formal Complaint or any allegations therein if, at any time during the hearing, a Complainant notifies the Title IX Coordinator in writing that the Complainant would like to withdraw a Formal Complaint or any allegations therein, the Respondent is no longer enrolled or employed by the institution, or specific circumstances prevent the institution from gathering evidence sufficient to reach a Determination as to the Formal Complaint or allegations therein.
 20. If the decision maker dismisses the Formal Complaint during the grievance process, the decision-maker will promptly notify the Title IX Coordinator, who will promptly send written notice of the dismissal and reasons therefor simultaneously to the Parties.
- O. Written Determination
1. Within fifteen (15) business days of the hearing, the decision-maker will issue a written Determination based on a preponderance of the evidence standard, which will be provided to the Parties simultaneously.
 2. The Determination becomes final either on the date that the institution provides the Parties with a written result of an appeal or, if an appeal is available but not filed, the day after the deadline to appeal.
 3. The Determination will include:
 - a. Identification of the allegations potentially constituting Sexual Misconduct, as well as identification of any additional allegations that are being resolved but which do not constitute Sexual Misconduct;
 - b. A description of the procedural steps taken between receipt of the Formal Complaint and the Determination, including all notifications to the Parties, interviews with Parties and witnesses, site visits, methods used to gather other evidence, and any hearings held;
 - c. Findings of fact supporting the Determination;

- d. Conclusions regarding the application of this policy, as well as any other relevant policy, guidelines, or code, to the facts;
 - e. A statement of, and rationale for, the result as to each allegation before the decision-maker, including a Determination regarding responsibility;
 - f. Any disciplinary action that the decision-maker imposes on the Respondent, including referral to another process, such as tenure termination proceedings;
 - g. Any remedies that the institution will provide designed to restore or preserve equal access to the Complainant; and
 - h. The permissible bases and procedures, including timelines, for appeals by the Parties.
- P. Remedies and Disciplinary Action Following Determinations of Violations
- 1. The institution will provide remedies where a Determination of responsibility for Sexual Misconduct has been made. The institution will follow this policy before imposing any disciplinary sanctions for Sexual Misconduct that are not supportive/interim measures.
 - 2. Remedies will be designed to restore or preserve equal access to education programs and activities and include discipline under the applicable policies and procedures. Remedies may include verbal warnings, written warnings, final written warnings, suspension, termination of employment, non-renewal of appointment, or dismissal from the institution. Faculty may be subject to proceedings under TBR Policies 5.02.03.10 and 5.02.03.30.
 - 3. Remedies will also consider improvements to the campus-wide environment. It is the intent of the College to consider the impact of an incident of Sexual Misconduct on the campus as a whole or on specific groups or areas of campus. For example, specific training may be needed for a student group.
 - 4. The Title IX Coordinator is responsible for ensuring the effective implementation of the remedies.
- Q. Appeals/Post-Determination Procedures
- 1. Parties are permitted to appeal to the institution's President (or other person appointed by the Title IX Coordinator) from a Determination regarding responsibility (or no responsibility) and a dismissal of a Formal Complaint or any allegations in a Formal Complaint based on:
 - a. procedural irregularity that affected the outcome of the matter;
 - b. new evidence that was not reasonably available at the time the Determination or dismissal was made, but only if that new evidence could affect the outcome of the matter;
 - c. The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against Complainants or Respondents generally or the individual Complainant or Respondent that affected the outcome.
 - 2. A Party wishing to appeal a Determination regarding responsibility or the dismissal of a Formal Complaint or any allegations therein must file a written appeal with the Title IX Coordinator within seven (7) business days of the Determination or dismissal date. The written appeal must identify the reasons for the appeal.
 - 3. As to all appeals, the Title IX Coordinator will:
 - a. Notify the other Party in writing when an appeal is filed;
 - b. Implement appeal procedures equally for both Parties;

- c. Ensure that the decision-maker(s) for the appeal is not the same person as the investigator, the decision-maker, or Title IX Coordinator;
 - d. Give each Party five (5) business days to provide a written statement supporting, or challenging, the Determination.
4. The decider of the appeal will issue a written decision describing the result of the appeal and the rationale for the result and will provide the written decision simultaneously to the Parties.

VI. Education, Training, and Awareness

- A. Jackson State will offer educational programming and training to their students, faculty, and staff that is intended to end Sexual Misconduct.

- B. Jackson State will provide user-friendly materials to explain the policy and how victims can get help, and provide those materials online and through other strategies appropriate for the campus. Institutional education related to Sexual Misconduct will be provided to incoming students. The institution promotes awareness of rape, acquaintance rape, domestic violence, dating violence, sexual assault, and stalking. Education will also include information on how to prevent sexual assault, such as information on bystander intervention, as well as how to recognize abusive behavior and avoid potential abusive relationships. Students shall be trained on the procedures for filing a report, as well as procedures for institutional disciplinary action in cases of alleged sexual violence. Institutional education will also inform students of the sanctions and protective measures the institution may impose once a report of sexual violence has been made.
- C. Jackson State has established procedures for regularly reviewing, evaluating, and updating the policy. Institutional training may provide training to all employees likely to witness or receive reports of sexual harassment, including faculty, school law enforcement, school administrators, school counselors, athletic coaches, and health personnel. Training will ensure that employees with authority to address sexual harassment know how to appropriately respond to reports of sexual harassment, that employees know whether they are obligated to report sexual harassment to the Title IX Coordinator or other designated official, and that all employees understand how to respond to reports of sexual harassment. Training will also ensure that professional counselors, pastoral counselors, and non-professional counselors or advocates also understand the extent to which they may keep a report confidential.
- D. Title IX Coordinators, investigators, decision-makers, institution-provided advisors, any person designated to facilitate an informal resolution process, and any person designated to resolve an appeal will receive training on the definition of Sexual Misconduct, the scope of the College and institutional education programs and activities, how to conduct an investigation and grievance process, including hearings, appeals, and informal resolution processes, as applicable, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. Such individuals will receive training on issues of relevance related to creating and/or reviewing an investigative report that fairly summarizes relevant evidence. Training will not rely on sex stereotypes and will promote impartial investigations and adjudications of Formal Complaints.
- E. The institution notifies applicants for admission and employment, students and employees, that it does not discriminate based on sex in its educational programs and activities and will provide the name, title, office address, electronic mail address, and telephone number of the Title IX Coordinator in that notification.

VII. Effective Date

- A. This policy is effective August 14, 2020.
- B. If any provision of the Title IX regulations on which this policy is based is enjoined or held invalid as it applies to the College or the Title IX regulations' application to any person, act, or practice is enjoined or held invalid as it applies to the College, the remainder of this policy or the application of its provisions to any person, act, or practice shall not be affected thereby.

- C. For conduct that occurs across multiple versions of this policy, complaints of Sexual Misconduct will be addressed utilizing the procedures outlined in the version of this policy in effect as of the date of the Notice of Allegations. The “Definitions” and “Clarifications” sections of the policy in effect as of the date of the alleged incident will be used. Complaints and reports of conduct spanning more than one version of the policy will be addressed using the “Definitions” and “Clarifications” sections in the version of the policy in effect at the time of the most recent alleged incident.

VIII. Clarifications

A. Consent

1. Consent means an active agreement to participate in sexual activity. An active agreement is words and/or conduct communicating a person’s willingness to participate. The following individuals cannot give valid Consent:
 - a. A person who is Incapacitated, if either the person claiming to have obtained Consent knows that the other person is Incapacitated or a reasonable person would know that the other person is Incapacitated;
 - b. A person who is Forced; or
 - c. A person who is under the age of eighteen (18), unless the person giving Consent is at least the age of thirteen (13) and the other person is less than four (4) years older than the person giving Consent.
2. During a sexual encounter, each person has responsibility for obtaining Consent from the other person. During an investigation, the institution is burdened to obtain evidence of whether Sexual Misconduct occurred without Consent. During any hearing, the institution must prove that Sexual Misconduct occurred without Consent. (In other words, it is not a Respondent’s burden to prove Consent during an investigation or hearing). Whether a person has communicated Consent generally is evaluated from the perspective of what a reasonable person who perceived the individual’s words and/or nonverbal conduct would have understood; however, in the context of a relationship that has involved sexual activity and a pattern of communicating Consent, whether Consent has been communicated may be evaluated based on a subjective standard (i.e., what did the specific person who initiated the sexual activity conclude based on the pattern of communication?).
3. A verbal “no” (or words equivalent to “no”) or the nonverbal communication of “no,” even if it sounds or appears insincere or indecisive, means that Consent has not been communicated, or if previously communicated, has been withdrawn. The absence of a verbal “no” or the absence of a nonverbal communication of “no” does not necessarily mean that Consent has been communicated.
4. Consent must exist from the beginning to the end of each sexual encounter and for each sexual act that occurs during a sexual encounter. A person has a right to change their mind; thus, Consent may be withdrawn at any time. A withdrawal of Consent is communicated through clear words and/or conduct that indicate that a person no longer agrees to participate in sexual activity. Once a person’s withdrawal of Consent has been communicated, the other person must cease the sexual act for which Consent was withdrawn and must obtain Consent before reinitiating that sexual act. Consent is automatically

withdrawn when a person becomes incapacitated or is forced to participate in sexual activity.

5. Consent to one type of sexual activity (e.g., oral sex) does not constitute or imply Consent for another type of sexual activity (e.g., vaginal intercourse), whether during a sexual encounter or based on a previous sexual encounter.
6. The following do not communicate a person's willingness to participate in sexual activity:
 - a. Silence, unless accompanied by non-verbal conduct conveying a willingness to participate in sexual activity;
 - b. Consent communicated by the person on a previous occasion;
 - c. Consent communicated to a third person;
 - d. The person's failure to resist physical force (however, for purposes of the Policy, the person's resistance to physical force will be viewed as a clear demonstration that the person has not communicated Consent);
 - e. A current or previous dating, romantic, intimate, or sexual relationship with the other person;
 - f. Currently or previously cohabitating with the other person;
 - g. The person's attire, reputation, giving or acceptance of gifts, sexual arousal, or extension or acceptance of an invitation to go to a private residence, room, or other location.
 - h. One's own use of alcohol, drugs, or other substances does not diminish one's responsibility to obtain Consent from the other person. Another person's use of alcohol, drugs, or other substances does not diminish one's responsibility to obtain Consent from that person.

B. Force

1. Force includes physical force (such as pushing, hitting, pinning down), threats (direct or indirect expressions of intent to inflict harm to self or others), intimidation (implied or indirect threats), and/or other forms of coercion. To coerce is to attempt to cause another person to act or think in a certain way by the use of force, pressure, threats, or intimidation; to compel is to coerce.

C. Incapacitation

1. A person violates this policy when they engage in sexual activity with someone who is incapacitated under circumstances in which a reasonable person would have known the other person to be incapacitated. For evaluating Incapacitation, a "reasonable person" means a sober, objectively reasonable person in the same situation, with ordinary sensitivities, and with similar identities as the Respondent.
2. Incapacitation can be voluntary or involuntary. Signs of Incapacitation may include, without limitation: sleep; total or intermittent unconsciousness; lack of control over physical movements (e.g., inability to dress/undress without assistance; inability to walk without assistance); lack of awareness of circumstances or surroundings; emotional volatility; combativeness; vomiting; incontinence; unresponsiveness; and inability to communicate coherently. Incapacitation is an individualized determination based on the totality of the circumstances.
3. Blacking out is an amnesia-like state that may be brought on by drugs, heavy drinking, or intoxication; blacking out is not necessarily incompatible with the ability to engage in simple or even complex behavior. After blacking out, a person has no recollection of all or part of the events that occurred during the

blackout. There is a distinction between passing out (falling asleep or becoming unconscious) due to drug or alcohol use and blacking out in that a person in a blackout remains conscious and operative.

4. Incapacitation or Incapacitated means a person's inability, temporarily or permanently, to communicate a willingness to participate in an activity (e.g., sexual activity) because of mental or physical helplessness, sleep, unconsciousness, or other lack of awareness that the activity is taking place. Incapacitation can be voluntary or involuntary. Signs of Incapacitation may include, without limitation: sleep; total or intermittent unconsciousness; lack of control over physical movements (e.g., inability to dress/undress without assistance; inability to walk without assistance); lack of awareness of circumstances or surroundings; emotional volatility; combativeness; vomiting; incontinence; unresponsiveness; and inability to communicate coherently. Incapacitation is an individualized determination based on the totality of the circumstances. Alcohol and drugs (including "date rape" drugs) are common causes of Incapacitation. When alcohol or drugs are involved, Incapacitation is a state beyond mere drunkenness or intoxication.

D. Severe and Pervasive

1. Severe and Pervasive. Severe means behavior that is more than antagonistic, non- consensual, and crass, even where the behavior is based on differences in sex or gender. Pervasive means systemic or widespread, and it necessarily involves more than one incident of sexual harassment. Sources: *Kollaritsch v. TCATs, Community Colleges

Purpose

The Tennessee Board of Regents authorizes the institutions under its jurisdiction to take such action consistent with this policy as may be necessary to maintain campus conditions and preserve the integrity of the institution and its educational environment. Institutional policies on this subject shall be subject to prior review and approval by the TBR Offices of General Counsel and Academic Affairs.

Definitions

- For the purpose of this policy, a “student” shall mean any person
 - who is admitted, enrolled, and/or registered for study (including for non-credit classes) at a Board of Regents institution for any academic period. This shall include any period of time following admission and/or registration, but preceding the start of classes for any academic period, following the end of an academic period through the last day for registration for the succeeding academic period, and during any period while the student is under suspension from the institution; who engaged in academic misconduct as part of the application process; and/or
 - who previously attended a TBR institution and who was found to have violated the institution’s student conduct and disciplinary standards policy during the time of enrollment.

- “Student” shall also include any person subject to a period of suspension or removal from campus resulting from a finding of a violation of this policy;
- Unless explicitly provided otherwise in these rules, the term “student” shall also refer to a student organization.
- Definitions of “Disciplinary Offenses” and “Disciplinary Sanctions” are included in their respective sections, II. and V.

Policy/Guideline

I. Policy Statement

- A. Students enrolled in a TBR postsecondary educational institutions are citizens of their civic communities as well as the academic community. As such they are expected to conduct themselves as law-abiding members of each community at all times.
- B. Admission to an institution of postsecondary education carries with it special privileges and imposes special responsibilities apart from those rights and duties enjoyed by non-students. In recognition of the special relationship that exists between the institution and the academic community which it seeks to serve, the Tennessee Board of Regents (“TBR” or “the Board”) has authorized the presidents of the institutions under its jurisdiction to take such action as may be necessary to maintain conditions on institution-owned and controlled property and to preserve the integrity of the institution and its educational environment.
- C. Pursuant to this authorization and in fulfillment of its duties to provide a secure and stimulating atmosphere in which individual and academic pursuits may flourish, the Board has developed the following policy, which is intended to govern student conduct at the institutions under its jurisdiction.
- D. Each institution under the jurisdiction of the TBR is directed to implement policies subject to, and consistent with, this policy.
- E. In addition, students are subject to all federal, state and local laws and ordinances. If a student’s violation of such laws or ordinances also adversely

affects the institution's pursuit of its educational objectives, an institution may enforce its own policies regardless of the status or outcome of any external proceedings instituted by other civil or criminal authorities.

- F. Students are responsible for compliance with this policy and with institutional policies and regulations.
- G. Disciplinary action may be taken against a student for violation of policies and regulations that occur on institutionally owned, leased or otherwise controlled property, while participating in international or distance learning programs, and off campus, when the conduct impairs, interferes with, or obstructs any institutional activity or the mission, processes, and functions of the institution. In the case of violations that occur off institutionally owned, leased, or controlled property, the institution will take into account whether the violation impairs, interferes with, or obstructs any institutional activity, or the mission, processes, and function of the institution, including, but not limited to, conduct that:
 - 1. occurs in connection with any institutional activity, including but not limited to, international, distance, online, or remote learning programs, athletics events and other extracurricular activities, clinical, internship, practicum, and similar activities;
 - 2. occurs while using institutional resources, such as computers and network systems;
 - 3. involves or affects another member of the TBR community (a student, faculty, staff member, or guest of a TBR institution); or
 - 4. poses a credible, serious threat to the health and safety of the TBR community.
- H. This policy, and related material incorporated herein by reference, is applicable to student organizations as well as individual students. Whether a student organization will be held responsible for a violation of these rules by one or more of its members will be based on the following considerations:
 - 1. the violation is endorsed by the student organization or any of its officers. "Endorsed by" includes, but is not limited to, active or passive consent or support, having prior knowledge that the conduct was likely to

occur, or helping to plan, advertise, or promote the conduct;

2. the violation took place during the course of an activity paid for by the student organization or by members of the student organization to support the activity in question;
 3. the prohibited conduct occurred on property owned, controlled, rented, leased, or used by the student organization or any of its members for an organizational event;
 4. the prohibited conduct was related to initiation, admission into, affiliation with, or as a condition for continued membership in the student organization; and
 5. one or more officers of the student organization had prior knowledge or reasonably should have known the prohibited conduct would likely take place.
- I. Confidentiality of Discipline Process. Subject to the exceptions provided pursuant to the Family Educational Rights and Privacy Act of 1974 (FERPA), 20 U.S.C. 1232g, the Tennessee Public Records Act, T.C.A. § 10-7-504, and/or other state and federal law, a student's disciplinary records and files are considered "education records" and are confidential in accordance with those statutes.
 - J. Matters involving sexual harassment, sexual assault, stalking, domestic violence, and dating violence occurring within an education program or activity, if within the scope of TBR Policy 6.03.00.00, Sexual Misconduct, which implements 34 C.F.R. Part 106 related to Title IX of the Education Amendments of 1972, shall proceed in accordance with TBR Policy 6.03.00.00, Sexual Misconduct, and not this policy.

II. Disciplinary Offenses

- A. Disciplinary measures shall be imposed according to this policy and the institution's restatement of this policy and applicable procedures and processes.
- B. Institutions shall use the "preponderance of the evidence" standard. A preponderance of the evidence means the greater weight of the evidence or

that, according to the evidence, the conclusion sought by the party with the burden of proof is the more probable conclusion.

- C. These rules shall not be used to violate rights guaranteed under the constitution of the State of Tennessee or the constitution of the United States.
- D. Institutions shall adopt and publish notice of offenses for which both individuals and student organizations may be subject to disciplinary action.
- E. Both students and student organizations may be subject to disciplinary action for the following disciplinary offenses identified in this policy:
 - 1. Threatening Conduct. Any conduct, threatened conduct, or attempted conduct that, poses a threat to a person's safety, health, or personal well-being including, but not limited to, endangering the health, safety, or welfare of any person; engaging in conduct that causes a reasonable person to fear harm to his or her health, safety or welfare; or making an oral or written statement that an objectively reasonable person hearing or reading the statement would interpret as a serious expression of an intent to commit an act of unlawful violence to a particular individual or group of individuals; Disruptive Conduct. Any conduct, threatened conduct, or attempted conduct that is disruptive to the institution's learning environment, including, but not limited to, engaging in any action that interferes with the ability of the instructor to teach or other students to learn. Disruptive conduct in the class setting (which includes but is not limited to remote education and off-site locations) includes, but is not limited to, behavior that obstructs or disrupts the learning environment (e.g., offensive language, harassment of students or instructors, repeated outbursts from a student that disrupt the flow of instruction or prevent concentration, failure to cooperate in maintaining class decorum, etc.), text messaging, and the continued use of any electronic or other noise or light emitting device which disturbs others;

- 2. The instructor may order the temporary removal or exclusion from the class of any student engaged in disruptive conduct or other conduct that violates this policy for each class session during which the conduct occurs. Extended or permanent exclusion from the classroom, beyond the session in which the conduct occurred, or further disciplinary action can be effected only through appropriate procedures.
- 3. Academic Misconduct Academic misconduct is prohibited. Students guilty of academic misconduct, either directly or indirectly, through participation or assistance, are immediately responsible to the instructor of the class. In addition to other possible disciplinary sanctions which may be imposed in accordance with this policy, the instructor has the authority to take academic discipline consistent with institutional policy, procedures, and processes.

4. An instructor who determines that a student has engaged in academic misconduct may choose to exercise academic discipline by lowering to any extent, including to a grade of “F” or “zero,” a student’s grade in the course, assignment, or examination affected by the alleged academic misconduct.
5. An instructor who initiates academic discipline shall inform the appropriate Chair and Dean (or other individual(s) identified by the institution) in writing of the finding of academic misconduct, the basis therefor, the academic discipline imposed, and the appeals process within five (5) days of the imposition of academic discipline.
6. A student may not withdraw from a course pending final resolution of an allegation of academic misconduct. Students are permitted and encouraged to continue attending class until the academic disciplinary decision, including all appeals, is final.
7. A student charged with academic misconduct has the option of either accepting the academic discipline imposed by the instructor or initiating the appeals process to challenge the allegation of academic misconduct or the severity of the academic discipline. If the student does not respond in writing within five (5) days by either accepting or appealing the academic discipline to the institutional academic misconduct appeals committee, the student waives the right to contest the academic discipline, at which time it becomes final.
8. An institutional academic misconduct appeals committee shall consist of at least three (3) individuals and include at least one (1) student. The chief academic officer or other administrator identified by the institution will assemble the committee and coordinate the hearing but will not participate on the committee. Any individual who has an interest in the incident, a conflict of interest, or a bias is not permitted to serve on the committee. An institution may maintain standing pools from which

individuals may appointed and/or appoint ad hoc academic misconduct appeals committees. At a technical college the president has the authority to appoint a single administrator to perform the functions of the academic misconduct appeals committee and to effectuate the processes identified in this policy.

9. The academic misconduct appeals committee will set a hearing date that is within fifteen (15) business days of receipt of date of the student's appeal. The student must receive at least seven (7) calendar days' notice of the date, time, and location of the hearing. A student will be notified of the due process protections provided for in this policy.
10. The academic misconduct appeals committee will conduct the appeal hearing, consider the evidence presented, and make a decision based on a simple majority vote using a preponderance of the evidence standard. The committee can either uphold, overturn, or lessen the academic discipline. The results of the committee's decision will be conveyed to the student in writing, through the chief academic officer or other individual identified by the institution, within ten (10) business days of the hearing.
11. If the academic misconduct appeals committee upholds or lessens the academic discipline, the student may appeal in writing to the president.

within five (5) business days following receipt of the decision of the committee. The president will make a decision within ten (10) business days. The president's decision is final.
12. The institution's chief academic officer, president, or other administrator identified by the institution has the ability to extend any deadline in this section for good cause and upon written notice to the student.
13. In addition to academic discipline, a student who is found responsible for academic misconduct, either one or more times, may be subject to

disciplinary sanctions in accordance with this policy.

14. The institution shall maintain permanently all submissions by the student and all decisions of institutional officials and committees relating to academic misconduct.

IV. Disciplinary Sanctions

- A. Institutions shall publish this policy, provide notice of potential disciplinary sanctions applicable to both students and student organizations.

Disciplinary sanctions may be imposed only after a violation of this policy has been established. Disciplinary sanctions may be imposed, either singly or in combination, by the appropriate institution or school officials.

- B. Types of Sanctions.

1. Restitution. Restitution may be required in situations which involve theft, destruction, damage, or loss of property, or unreimbursed medical expenses resulting from physical injury. When restitution is required, the student or student organization is obligated by the appropriate institutional authority to compensate a party or parties for a loss suffered as a result of disciplinary violation(s). This action may take the form of appropriate service, monetary compensation, or material replacement. Any monetary payment in restitution shall be limited to actual cost of repair, replacement or financial loss; Warning. The appropriate institutional official may notify orally or in writing the student or student organization that continuation or repetition of specified conduct may be cause for other disciplinary action;
2. Reprimand. A written or verbal reprimand or censure may be given to any student or student organization whose conduct violates any part of this policy and provides notice that that any further violation(s) may result in more serious penalties;
3. Service to the Institution or Community. A student, or student organization, may be required to donate a specified number of service hours to the institution performing reasonable tasks for an appropriate

institution office, official(s), or the local community. The service required shall be commensurate to the offense (including but not limited to service for maintenance staff for defacing institutional property);

4. Specified Educational/Counseling Program. A student or student organization may be required to participate in specified educational or counseling program(s) relevant to the offense, or to prepare a project or report concerning a relevant topic;
5. Restriction. A restriction upon a student's or student organization's privileges for a period of time may be imposed. This restriction may include, but is not limited to denial of the ability to represent the institution at any event, ability to participate in institution or TBR sponsored travel, use of facilities, parking privileges, participation in extracurricular activities or restriction of organizational privileges;
6. Probation. Continued enrollment of a student or recognition of a student organization on probation may be conditioned upon adherence to this policy. Any student or organization placed on probation will be notified in writing of the terms and length of the probation. Probation may include but not be limited to restrictions upon extracurricular activities, or any other appropriate special condition(s). Any conduct in further violation of this policy while on probationary status or the failure to comply with the terms of the probationary period may result in the imposition of further disciplinary action;
7. Suspension. Suspension is the separation of a student or student organization from the institution for a specified period of time. Suspension may be accompanied by special conditions for readmission or recognition;
8. Expulsion. Expulsion entails a permanent separation from the institution. The imposition of this sanction is a permanent bar to the student's admission, or a student organization's recognition by the

institution. A student or organization that has been expelled may not enter institution property or facilities or institution-controlled property or facilities without obtaining prior approval from an appropriate campus official with knowledge of the expulsion directive;

9. Revocation and Withholding of Admission, Degree, or Credential; and
 10. Interim Involuntary Withdrawal or Suspension. As a general rule, the status of a student or student organization accused of violation of TBR rules, this policy, or an institutional policy should not be altered until a final determination has been made in regard to the charges. However, interim or involuntary withdrawal or suspension, pending the completion of disciplinary procedures, may be imposed upon a finding that the conduct, or attempted conduct of the student poses a direct threat to the safety of any other member of the institution, its guests, property, or the student's behavior is materially and substantially disruptive of the institution's learning environment or other campus activities. In any case of interim or involuntary withdrawal or suspension, the student, or student organization, shall be given an opportunity at the time of the decision, or as soon thereafter as reasonably possible, to contest the suspension in accordance with this policy;
- C. The president is authorized, either personally or through a designee, to negotiate a mutually acceptable resolution to any disciplinary proceeding or to rescind or convert any sanction imposed to a lesser sanction.
- V. Disciplinary Procedures
- A. Institutions shall provide students with a system of constitutionally and legally sound procedures that provide the protection of due process of law in accordance with TBR Systemwide Student Rules, this policy, and applicable state and federal law. All policies adopted related to student conduct shall be subject to prior review and approval by the TBR Offices of General Counsel and Academic Affairs. Once adopted or amended, all disciplinary procedures

shall be affirmatively communicated to the faculty, staff, and students of the institution as well as published in appropriate websites, handbooks, or manuals.

- B. At community colleges, the Vice President of Student Affairs or other administrator designated by the institution is responsible for matters within the scope of this policy, except that the Chief Academic Officer is responsible for matters related to academic misconduct. In situations where the conduct could fall within both areas of responsibility, the two offices will confer and decide which procedures will apply and advise the student or student organization in writing of the decision. At colleges of applied technology, the president or designee has responsibility.
- C. Complaints related to discrimination, harassment, and retaliation that are not subject to another rule will be investigated and resolved in accordance with this policy and the institution's restatement of this policy, procedures, and processes.
 - 1. In determining whether the evidence establishes a violation of institutional policy, the institution shall use the preponderance of the evidence standard for contested cases, as explained in TBR Policy 1.06.00.05, Uniform Procedures for Cases Subject to the Uniform Administrative Procedures Act and Department of State Rule 1360-04-01. At all times the burden of obtaining evidence and establishing a violation shall be on the institution.
 - 2. In the event of bias or conflict of interest by an institutional official, the institution may appoint a substitute, who may or may not be employed by the institution.
 - 3. The investigator shall conduct an appropriate investigation, which may include interviews of the parties and witnesses, as well as review of documents and other information. The purpose of the investigation is to determine whether the evidence establishes a violation of institutional policy and procedures. The parties are

encouraged, but not required, to provide information that they want the investigator to consider.

4. The investigator shall provide written notice of receipt of a written complaint or the decision to initiate an investigation.
5. The investigator shall notify students that the institution will comply with FERPA and only disclose information in accordance with FERPA and other applicable law.
6. The investigator shall prepare a report summarizing the investigation. The report shall include, but not be limited to, the dates of the alleged occurrences, the response of the respondent, the findings of the investigator, and recommendations regarding disposition of the complaint.
7. The report shall be submitted to the institution's president within sixty (60) calendar days following receipt of the complaint, absent cause for extending the investigation timeline. In situations where more time is needed to complete the investigation, written notice shall be provided to the parties explaining the reasons.
8. The president shall review the investigator's report and shall make a written determination as to whether this policy, and institutional policy, processes, and procedures have been violated and the appropriate disciplinary sanction, if any. The president's determination and the investigator's report shall be provided to the parties, unless prohibited by law.
9. Either party may send a written request to reconsider to the president within ten (10) working days, absent good cause, of receipt of the president's determination.
 - a. The request to reconsider process shall consist of an opportunity for the parties to provide information to the president's attention that would change the determination and/or disciplinary sanction. A party must explain why the factual information was incomplete,

the analysis of the facts was incorrect, the determination was affected by bias or a conflict of interest, procedural irregularity, and/or the appropriate standard was not applied, and how this would affect the determination. Failure to do so may result in denial of the request to reconsider.

- b. The parties will not be allowed to present their request to reconsider in person unless the president determines, in his or her sole discretion, to allow an in-person appearance.
 - c. The president shall issue a written response to the request to reconsider as promptly as possible. The decision will constitute the institution's final decision.
 - d. The institution shall provide written notice of the ability to contest the determination and/or disciplinary sanctions, including where applicable, the ability to request a contested case hearing pursuant to the UAPA, to the parties at the time the parties are advised of the determination and upon the resolution of any request to reconsider or appeal.
- D. Students and student organizations subject to any disciplinary sanction are entitled to a due process hearing in accordance with this policy and standards established by the constitutions of the State of Tennessee and the United States unless that right is waived after receiving written notice of the available procedures.
- E. All proceedings under this policy will be held in closed session and not open to the public. Formal rules of evidence shall not be applicable. The administrator or committee chair may exclude evidence which in their judgment is immaterial, irrelevant, or unduly repetitious.
- F. Written notice to a student or student organization is accomplished either by handing a copy to the student; sending documents via email to the student's or student organization's institutional email account; email account of record on file with the institution; or by sending a copy via certified mail,

registered mail, return receipt requested mail, or a nationally recognized delivery service that tracks delivery to the student's residence of record or the student organization's address of record.

G. Initiation of Charges

1. An institution may initiate the disciplinary process on the basis of written allegations received from any source, including any member of the college community. Complaints should be directed to the Vice President of Student Affairs or other administrator identified by the institution, except that complaints relating to discrimination, harassment, and retaliation should be referred to the administrator identified by the institution so that such complaints can be handled in accordance with institutional policy and procedures. The institution may also initiate disciplinary procedures without written allegations if it becomes aware of potential violations of these rules through other means.
2. When the allegations, if proven, may warrant the imposition of a disciplinary sanction, the institution shall inform the student of the allegations and proceed to gather information concerning the matter, including, but not limited to, interviewing relevant witnesses and reviewing relevant documents and evidence. Students who may be the subject of disciplinary sanctions will be provided the minimum due process protections identified in this policy.
3. After reviewing the evidence, the administrator with responsibility for the matter shall decide whether sufficient evidence exists to charge the student, and if so, the appropriate disciplinary sanction(s). Notice of the charges and disciplinary sanction(s), if any, shall be provided in writing to the student. If there is insufficient evidence to continue the disciplinary process, the matter will be closed, and written notice will be provided to the student.

H. Minimum Due Process Protections. Institutions shall provide the following

minimum procedural due process protection components in disciplinary matters:

1. The student shall be advised, in writing, of the breach of the policy provision(s) of which he or she is charged;
 2. The student shall be advised of the time, date, and place of the hearing allowing reasonable time for preparation; and
 3. The student shall be advised of the following rights applicable at the hearing:
 - a. The right to present his or her case;
 - b. The right to be accompanied by an advisor of his or her choice. The advisor's participation shall be limited to advising the student, and not include advocating on behalf of the student, speaking on behalf of the student, or otherwise actively representing the student. An advisor is not permitted to interfere with the hearing;
 - c. The right to call witnesses on his or her behalf;
 - d. The right to confront witnesses against him or her; and
 - e. The method and time limitations for appeal, if any is applicable.
- I. Options for Students. Four potential processes exist for adjudication of disciplinary matters. The student will be informed in writing of each available option and the due process rights associated with each option. A student will have five (5) business days following written notification to select an option. If a student fails to return the election of a procedure in a timely manner, the student will be deemed to have waived the right to contest the disciplinary sanction. Selection of one option constitutes waiver of all other options.
1. Contested Case Hearing: All cases which may result in either: suspension or expulsion of a student from the institution for disciplinary reasons, or revocation of registration of a student organization, are subject to the contested case provisions of the Uniform Administrative Procedures Act,

T.C.A. § 4-5-301 et seq., and TBR Policy 1.06.00.05, Uniform Procedures for Cases Subject to the Uniform Administrative Procedures Act, unless the student or student organization, after receiving written notice, waives those procedures.

2. A student at a community college may elect an institutional panel hearing. A student at a college of applied technology may elect a formal hearing in front of a single administrator appointed by the president.
 - a. Institutional Panel Hearing (Community Colleges)
 - (1) An institutional panel hearing committee at a community college shall consist of at least three (3) individuals and include at least one (1) student. The dean of students or other administrator identified by the institution will assemble the committee and coordinate the hearing but will not vote as to the committee's decision. An individual who has an interest in the incident, a conflict of interest, or a bias is not permitted to serve on the committee. The institution may appoint individuals from standing pools and/or appoint ad hoc committees.
 - (2) The committee will set a hearing date that is within fifteen (15) business days of receipt of the student's request for a panel hearing. The student must be notified of the date, time, and location of the hearing as soon as possible, but given at least seven (7) calendar days' notice. A student will be notified of the due process protections provided for in these rules.
 - (3) The committee will conduct the hearing, consider the relevant evidence presented, and make a decision based on a simple majority vote. The committee can either uphold, overturn, or lessen the disciplinary finding and/or sanction. The results of the decision will be conveyed to the

student in writing, through the dean of students or other administrator identified by the institution, within ten (10) business days of the hearing.

- (4) If the committee upholds or lessens the disciplinary finding and/or sanction, the student may appeal in writing to the president within five (5) business days following receipt of the decision of the committee. The president will make a decision within ten (10) business days. The president's decision is final.
 - (5) The president, dean of students or other administrator identified by the institution has the ability to extend deadlines for good cause and upon written notice to the student.
 - (6) The institution shall maintain all submissions by the student and all decisions of institutional officials and committees permanently.
- b. Formal Administrative Hearing (Colleges of Applied Technology)
- (1) The president of a college of applied technology shall appoint an administrator who will set a hearing date that is within fifteen (15) business days of receipt of the student's request for a hearing. The student must be given at least seven (7) calendar days' notice of the hearing. A student will be notified of the due process protections provided for in this policy.
 - (2) The administrator will conduct a hearing, consider the relevant evidence presented, and make a decision either upholding, overturning, or lessening the disciplinary finding and/or sanction. The results of the decision will be conveyed to the student within ten (10) business days of the hearing.
 - (3) If the administrator upholds or lessens the disciplinary finding and/or sanction, the student may appeal in writing to the president within five (5) business days following receipt

of the decision of the committee. The president will make a decision within ten (10) business days. The president's decision is final.

- (4) The president has the ability to extend deadlines for good cause and upon written notice to the student.

3. Administrative Resolution. An administrative resolution involves the student meeting with a single administrator appointed by (i) for community college students, the dean of students or other administrator identified by the institution or (ii) for college of applied technology students, the president. There is no appeal. The decision of the administrator is final.
4. A student may elect not to contest the disciplinary action, either affirmatively or by failing to return the election of a procedure in a timely manner, which serves as a waiver of the right to contest the disciplinary action.

J. Procedures Related to Interim Involuntary Withdrawal or Suspension Hearings.

1. When the Vice President for Student Affairs or other administrator identified by the institution determines that an interim suspension or other interim measure is required for the health and safety of the institutional community and/or property, or to prevent an ongoing imminent threat of disruption to or interference with the normal operations of the institution, the student will receive an opportunity for an informal hearing with the Vice President of Student Affairs or other administrator identified by the institution to contest the interim measure.
2. The informal hearing will be held within five (5) calendar days, absent good cause.
3. The evidence presented at the hearing shall be limited to that which is relevant to the basis asserted for imposition of the interim suspension or other interim measure.

K. Alternative Resolution Procedures: An institution, with the consent of all

relevant parties, may use an alternative resolution method including, but not limited to, an apology, mediation, or a negotiated resolution.
