

Identity Verification

During the 2025-2026 academic year, the Department of Education will require some students to verify their identity, **IN PERSON**, at the institution which the student will attend. You, the student, must appear in person at Jackson State Community College (*Jackson Campus*) to verify your identity by presenting a valid, unexpired, government-issued photo identification (ID), such as, but not limited to, a driver's license, non-driver ID card, other state-issued ID, or passport.

JSCC will maintain a copy of the student's photo ID that is annotated by the institution with the date it was received and reviewed, and the name of the official at the institution authorized to receive and review the student's ID.

The student must sign, in the presence of a JSCC official, the Statement of Educational Purpose provided below.
