Paramedic:

The JSCC Paramedic program has the option of an Associate of Applied Science degree, based on 60 credit hours of work. There are 17 general education credits required and 43 core program credits required for successful completion of the degree. A student can choose to get the Paramedic Certificate without obtaining, or, before obtaining, an associate's degree. The estimated costs listed below is representative of the Paramedic Certificate program. Pursuing the associate's degree will incur more costs for the required general education classes.

- **Tuition & Fees:**
 - First Semester: \$2951
 - Second Semester: \$3019
 - Third Semester: \$2747

TOTAL TUITION & FEES: \$8717

Paramedic Estimated Costs, Continued:
