Jackson State Community College, a Tennessee Board of Regents institution, does not discriminate on the basis of race, color, national origin, gender, religion, age, or disability in employment or provisions of educational services.

Students accepted into the program will be required by affiliate clinical education centers to submit to drug testing and/or criminal background checks (at the student's expense) prior to the clinical portion of the program. Findings or results may interfere with student clinical placement, which could result in a student's inability to complete a course and the program.
