

Jackson State Community College
**58th Commencement
Exercises**

Carl Perkins Civic Center
May 2, 2026
Jackson, Tennessee

Class of 2026

Message from the President

We are gathered here today to celebrate and congratulate you, the fifty-eighth graduating class from Jackson State Community College, class of 2026.

Your accomplishments in academics, athletics, student clubs and organizations, and community service are the pride of every faculty member and staff. We know you will carry the knowledge and skills you have mastered at Jackson State to your workplace and your community.

Since we were founded fifty-nine years ago, we have provided postsecondary educational opportunities to many people. As you join the more than 21,500 people who have also earned an associate degree or technical certificate from Jackson State, let me ask you to do three things:

First, stay involved. As we know, most Jackson State graduates go on to live and work right here in our community. We know you will be close, so make sure you visit often. Whether it is a musical program, ballgame, or lecture, just remember there are opportunities for you to be involved at Jackson State long past your days as a student.

Second, be an ambassador for higher education and Jackson State. Earning a degree from Jackson State is life changing and will give you increased opportunities for success; opportunities we strive to make available to all West Tennesseans. We hope you will seize every opportunity to speak of how your degree has helped you and refer others to Jackson State.

And third, I encourage you to remember to give back to Jackson State and to your community so that others in the future may have the same opportunities.

I hope you will always remember the wonderful memories you have made here at Jackson State. As you walk across the stage today, remember also that you are part of the rich history of Jackson State Community College. The contributions you make to your communities will improve the quality of life for us all.

I wish you happiness, success and peace. Congratulations!

A handwritten signature in black ink, which appears to read "Carol Rothstein". The signature is fluid and cursive.

Dr. Carol Rothstein
President, Jackson State Community College

About Jackson State

Our Mission

Jackson State Community College provides accessible learning opportunities that strengthen communities, empower students, and enhance lives.

Jackson State Community College believes in these pillars of excellence:

Relationships

I will build strong relationships, lifting others and creating a sense of belonging wherever I stand.

Reach

I will expand my reach, opening doors for myself and others through connection and action.

Resources

I will use my resources with purpose and wisdom, using every opportunity to grow and give back.

Relevant

I will remain relevant, curious, and committed to lifelong learning.

Reputation

I will uphold the reputation of JSCC through integrity, excellence, and discipline in all I do.

Results

I will pursue results that matter, striving for impact in my work, my community, and my life.

I will live to strengthen my community.
I will lead to empower those around me.
I will serve to enhance the lives of others.

I am a graduate of JSCC
and I am its legacy.

Accreditation

Jackson State is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award the associate degree. Specific career and transfer programs in the health sciences, business, and industrial technology are accredited by agencies recognized by the U.S. Department of Education.

History

In 1963, the Tennessee General Assembly responded to recommendations made in the Pierce-Albright Report by establishing a group of state community colleges. Jackson State was selected as the first such institution in West Tennessee.

Dr. F.E. Wright was appointed the first president of Jackson State on March 15, 1967 and served the institution with distinction until his death on May 15, 1976. Dr. Walter L. Nelms assumed the presidency in July of 1976 and led the college toward continued progress until his retirement in June of 1997. In July of 1997, Dr. Charlie D. Roberts, Jr. became Jackson State's third president and continued the journey to bring greater opportunities to the people of West Tennessee until his retirement in February of 2004. In February of 2004, Dr. Bruce Blanding began his tenure to lead Jackson State to a greater fulfillment of its vision to serve as the community's college until his retirement in 2016. Dr. Allana Hamilton was appointed as the fifth president of the college in January 2017. She continued to build on the college's commitment to student success and strengthening community partnerships until her transfer to the role of Vice Chancellor for Academics at the Tennessee Board of Regents in October 2019. Dr. George Pimentel was appointed as the sixth president of the college in July 2020 until his appointment as Associate Vice Chancellor for Academic Strategic Initiatives at the Tennessee Board of Regents in July 2023. In August 2023, the Tennessee Board of Regents unanimously confirmed Dr. Carol A. Rothstein as the seventh president.

Speaker Biography

Dr. Shawn Boyd

Dr. Shawn Boyd is an educator, speaker, and college success strategist dedicated to helping students maximize their college experience and prepare for life after graduation. He is the Founder and CEO of Dr. Shawn Boyd Educational Solutions, where he travels across the country partnering with high schools, colleges, and organizations to support first-generation college access, student success, leadership development, and college readiness initiatives.

Dr. Boyd received his undergraduate degree from Middle Tennessee State University, his master's degree from the University of Memphis, and his doctorate from Trevecca Nazarene University. He has worked in higher education for more than two decades, serving in roles focused on student engagement, college access, leadership development, and retention.

He is the author of the college success guide *How to Play the Game of College*, which provides students with practical strategies to navigate college with purpose and confidence. His new book, "How to Win at Life After College: Your Playbook for Career, Purpose, and Success," focuses on helping graduates successfully transition from college into their careers and adult life.

Through keynote presentations, workshops, and coaching, Dr. Boyd empowers students to discover their strengths, set meaningful goals, and become professionals both in the classroom and in life.

Dr. Boyd is married to his beautiful wife, Dr. Nikayla Boyd, and they are the proud parents of two children, Kyndall and Kaleb.

◆ *Summa Cum Laude, “with highest honor”*

Those graduating Summa Cum Laude have a grade point average between 3.80 - 4.0. Any student with a ◆ symbol by their name is a Summa Cum Laude graduate.

❖ *Magna Cum Laude, “with great honor”*

Those graduating Magna Cum Laude have a grade point average between 3.50 - 3.79. Any student with a ❖ symbol by their name is a Magna Cum Laude graduate.

■ *Cum Laude, “with honor”*

Those graduating Cum Laude have a grade point average between 3.25 - 3.49. Any student with a ■ symbol by their name is a Cum Laude graduate.

Honors are based on Fall 2025 grades.

Honor Graduates

Phi Theta Kappa

Phi Theta Kappa is an organization which provides opportunity for the development of leadership and service, an intellectual ideas and ideals, lively fellowship for scholars, and stimulation of interest in continuing academic excellence. The criteria for membership is to be enrolled full-time in a two-year college, have a grade point average not less than a “B,” have established academic excellence as judged by the faculty, and be of good moral character possessing recognized qualities of citizenship.

The History

Academic dress originated at universities in the Middle Ages when a warm gown and hood were necessary in unheated buildings. For centuries, these gowns distinguished students from their fellow citizens. Sometimes this distinction in dress symbolized unfortunate controversies between “town and gown.” The European habit of using academic robes came to this country in the 18th century with the founding of what is now Columbia University. In 1895, American universities and colleges standardized their styles of academic costumes, and this system, with occasional modifications, is still in force. Today, the various colors, trimmings, and patterns of gown, hood, and cap are all traditional and symbolize both the degree and the field of learning.

Gowns

American academic gowns are made of black material, and their patterns vary with the degree held. Baccalaureate gowns are relatively simple in design with a closed front and long, pointed, open sleeves. Master’s gowns have an open front with long, closed sleeves. Doctoral gowns are the most elaborate with velvet panels down the open front and three velvet bars on the bell-shaped sleeves.

In the last few years, many universities have decided to return to a distinctive gown design. For instance, Middle Tennessee State University’s colors are royal blue and white. The doctoral gown, with a facing of black velvet, now has sleeve bands in the color of the wearer’s discipline.

Hoods

The hoods, differing in length for the three degrees (bachelor’s, master’s, and doctorate’s) are lined with the colors of the institution that granted the degree. Hoods also are trimmed with the color that heralds the major field of learning.

Caps

A square mortarboard is the approved headgear. The tassel, fastened to the middle point at the top of the cap, is black or the color appropriate to the subject; it may be gold if the holder has a doctorate degree. Some have replaced the mortar board with a soft velvet tam with a golden tassel.

Academic Dress

Following is a list of the hood and tassel colors that represent several categories of learning:

Arts, Humanities, Letters	White
Agriculture	Maize
Commerce, Accountancy, Business	Drab
Communication	Crimson
Counseling and Guidance	Light Blue
Economics	Copper
Education	Light Blue
Engineering	Orange
English	White
Fine Arts	Brown
History	White
Law	Purple
Literature	White
Music	Pink
Nursing	Apricot
Philosophy	Blue
Physical Education	Sage Green
Physical Therapy	Teal
Science	Bright Gold
Social Work	Citron
Speech	Silver

All hoods are edged with the above colors. These same colors may be used for the facing and sleeve bars of doctoral gowns and tassels on bachelor's and master's caps.

The lining of the hood indicates the university granting the degree. One example from our program this afternoon is that of our president, Dr. Carol Rothstein. Her doctoral hood is lined with the Frostburg State University colors, red, black, and white.
