

HEERF Emergency Funding Authorization

First Name: *

Last Name: *

J Number: *

The U.S. Department of Education (USDOE) released guidance related to HEERF emergency grant funding to higher education institutions to assist students with any component of the student's cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care), or child care.

You are scheduled to receive funding from this HEERF emergency grant for Spring 2021. You currently owe a balance to Jackson State Community College. To apply these funds toward your balance, authorize us to do so below.

I hereby authorize any HEERF emergency funding be applied first to any eligible outstanding student account balance. I understand I will only receive a refund if my emergency grant aid exceeds my outstanding balance. Furthermore, depending on the amount of emergency grant aid and my current balance, a balance may remain on my student account.
